

## Logging into 9 Dots

### Logging into 9 Dots (NLACS)

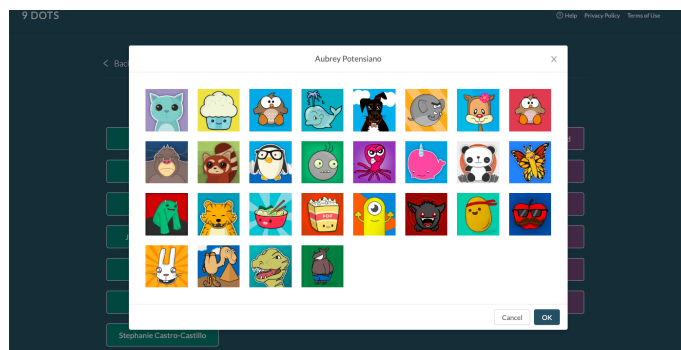

1. Using the web browser “Chrome”, go to [tinyurl.com/newlacoders](https://tinyurl.com/newlacoders) and click your class name.

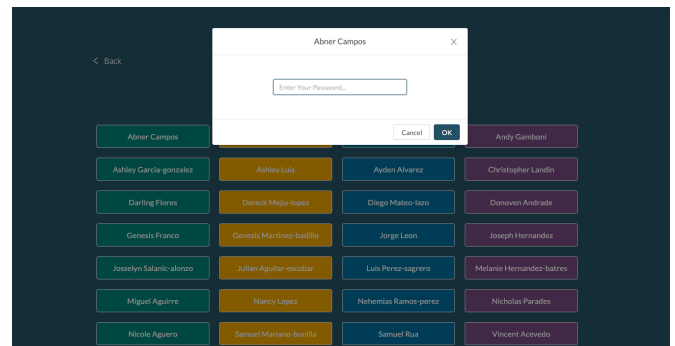

2. Click your name.

3. If you have a picture password, click your picture.\*

4. If you have a text password, type your password and click OK.\*

5. Press “Start”/”Continue” to work on the most recently assigned lesson.

6. You can also scroll down to work on previous lessons. Click “continue”.

#### Module D1: PixelBots Fundamentals

7. If all lessons are complete, you can redo completed challenges.
