Georgetown University Student Association

In the school year 2023-2024

An ACT to Augment Students' Access to Smartphone Chargers Outside and on Campus for Their Safety and Convenience

WHEREAS, Charged smartphones are a necessity in daily life, promoting student safety and prosperity, including for the purpose of identification within the University and including for the purpose of entering residence halls, Lauinger Library, and many places with food for students;

WHEREAS, Outlets and existing chargers exist within buildings that are locked at night, preventing students' access;

WHEREAS, There are already charging stations inside of buildings, and an outdoor station near McDonough.

THEREFORE, be it RESOLVED by the Georgetown University Student Association Senate as follows:

1. URGES the addition of phone chargers to areas of the Main Campus, especially outdoors, in such places that are feasible and amenable to both the University and the Student Association, perhaps integrated with the Blue Light system, and to refurbish existing public chargers.
