

Hi C-STEM PD Participants,

As a participant in the UCD-CSTEM and UCR Extension Computer Science Credential program, you have the opportunity to earn course credits.

To secure academic credits and a grade for the course, you will need to pay for the academic units. An invoice should have been emailed to you from register@ucx.ucr.edu and is due within 20 business days of the last day of the course or you will be dropped from the course.

Please utilize the My Invoices area within your [Student Portal account](#) to view/make payment of outstanding invoices.

For additional instructions, please watch our step-by-step [video](#) guide to pay your invoice. Once your grade is posted you may also view or request transcripts following instructions on the [Transcripts](#) webpage.

Please contact the Student Experience Department if you have any questions 951.827.4105 (M-F 8:30am-5:30pm).

Sincerely,

The C-STEM Group
