CAREER OBJECTIVE

One of my goal as an entrepreneur to work for the development of the ICT sector of Bangladesh. Have a strong desire to work in a challenging environment where I can utilize my education and skills. To achieve this aim I am determined to offer honesty, efficiency and sincerity to the optimum level.

CAREER SUMMERY

I have started my career as an entrepreneur. Since January, 2005 I have been working for DPIT. I'm the founder & CEO of this Company from 2005-2015. It was Information Technology Enabled Service (ITES) Based company. We provide Computer literacy program (CLP) Under D.net (Development Research Network) for the people of Bangladesh at the root level. Thousands of unprivileged people gained CLP Certificates. They apply that knowledge for their daily life & work. I Have More than twelve Years of Experience at ICT Sector in Bangladesh.
