NIS Update – Qiana Baxton

Qiana's contact info:

baxtonq@stlouis-mo.gov / 314-657-1374

Please reach out to Qiana about issues or concerns you have about city services, for example refuse pickup, sidewalk repair. "Call for Service" is what allows her to respond. You can call her directly or call the police department.

The mall water leak is difficult to pinpoint the responsible party for remediation. The city said there is no water leak. Is MSD responsible?

There is a tree down on the mall-she is aware.

Sal Martinez / Employment Connection and member of the Board of Housing Authority

Sal's contact info:

martinezs@employmentstl.org / 314-333-5622

The Violence Prevention Center operating out of the Al Chappelle Community Center now has 3 staff members. Introduction of members: Gerrel, Samir, and Lamont.

Requests individuals and LCPA to write letters of support for the yearly renewal of the Violence Prevention Program.

They are having soft skill workshops for the community and next year they are looking to add a Career Specialist.

Public Safety Update - Liaison Ofc Kevin Dilg

Kevin's contact info:

kddilg@slmpd.org / 314-444-2564

Ofc Dilg presents this month's crime report. Updates about the towing/abandoned car issues.

Discussion of boulders on the mall and around park. There has been some talk about a fence being installed. Officer Dilg will see what he can find out. There seemed to be a lot of opposition to the fence from the attendees of the meeting. Rumor is that Life Wise wants to sell-not sure if that is true. Amanda will contact them.

Officer Dilg gave us 4 Cardinal tickets for June 13, section 358.
