ScannerQR - QR & Barcode Scanner's Privacy Policy

I (ScannerQR) built the QR & Barcode Scanner app as a Free app. This SERVICE is provided by me at no cost and is intended for use as is.

This page is used to inform website visitors regarding my policies with the collection, use, and disclosure of Personal Information if anyone decided to use my Service.

If you choose to use my Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that I collect is used for providing and improving the Service. I will not use or share your information with anyone except as described in this Privacy Policy.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, which is accessible at QR & Barcode reader unless otherwise defined in this Privacy Policy.

Information Collection and Use

I guarantee to NOT collect or sell your personal information in any way. The app I built doesn't require any special permission to collect your personal information.

For a better experience, while using our Service, I use some services that may require you to provide them with certain personally identifiable information. The information that I request is retained on your device and is not collected by me in any way.

The app does use your phone 's Camera and access your Photos to recognize QR codes and Barcodes from it.

The app does use third party services that may collect information used to identify you.
