<input type="checkbox"/>	<p>Strategy</p> <ul style="list-style-type: none"> <li>- Cormac McCarthy: Could Westerfolds be used as an event / meeting space / clubhouse <ul style="list-style-type: none"> <li>o Could we have a similar recurring event / training / activity to Parkrun - same time and location each week. Run in Seasonal blocks – may not be feasible to run year-round.</li> <li>o Would need commitment from a number of clubs / people.</li> <li>o Potential funding from e.g. local government especially if targeting participation of women and girls, advertising to local community.</li> <li>o Note that there is potential for Westerfolds to become a multisport hub with the Paddlesports association(?).</li> <li>o If there is appetite, will put together a business case / business plan.</li> <li>o David: Key is in follow-up after these kind of events, targeted advertising / additional appropriate events</li> <li>o Debbie Dodd: could be replicated across several parks with permanent courses</li> <li>o Mark Hennessy: valuable to target courses in close proximity / time to schools championships</li> <li>o Margi: two separate discussions.</li> <li>o Start with existing membership, then expand / build. E.g. could target activities at parents with prams, other groups</li> </ul> </li> </ul>		[Time]

	<ul style="list-style-type: none"> <li>o David: in addition to this, want to ensure we are still trying to capture new orienteers. Propose that each club has 3 CATI events.</li> <li>o Richard Goonan: possible to get funding / grants to pay someone to run CATI events – prevent burnout of volunteers.</li> <li>o Cormac McCarthy: need to think about what we are trying to achieve – whether it is aimed at CATI or at retaining members.</li> <li>o Carl: YV to think about clubs in surrounding areas for partnering on Westerfolds proposal. MFR is planning to hold a number of CATI events, encourage other clubs to run CATI events to lift membership</li> <li>o Carl: funding / grants can also be used for coaching – could be used for e.g. coach in residence program. If several clubs applied and pooled resources.</li> </ul>		
<input type="checkbox"/>	<p>Other Business</p> <ul style="list-style-type: none"> <li>- COVID Plan: from mid-October, Victorian government removed COVID orders. Now guidelines, not mandated. OV COVID-Safe plan re-phrased as recommendations. When organizing should still mention event is organized in covid safe way and refer to guidelines. Put covid info lower down!!</li> <li>- Mapping: State Government adding more data available to public upon request. Lidar available for far East Gippsland as a result of recent bushfires. Ballarat to Geelong also now available at 1m contours. Northern Victorian floods likely to drive increase in data availability. If any clubs would like to update maps – contact Warwick Davis.</li> <li>- Coaches in residence: One challenge to overcome is hosting. Possible to rotate this every month and make this more palatable to hosts.</li> </ul>		[Time]
