SAE Area: Veterinary Science

Description: Student owns the enterprise, or works for a business that includes working with veterinarians in clinical practice, research facilities, colleges of veterinary medicine, animal health industry, or any other environment in which they assist veterinarians in performing duties related to the health of people and/or the health and welfare of large and small animals. This experience may include wage earning, entrepreneurial or exploratory activities not limited to hands-on care of animals, management of business aspects of a veterinary practice, or working on legislation or regulations relating to animals.

Project Ideas: - Shadow a local veterinarian.
- Become a veterinary assistant.
- Start a pet care business.
- Work at a university research lab caring for small animals.
- Create and operate an animal vaccination service.
- Create nutritious rations for large animal species.
- Take in homeless pets and nurse them to health.
- Provide a kennel cleaning service.
- Coordinate with a veterinarian to give a career presentation.
- Intern at a veterinary clinic.
