

**How do you use Google Docs as a teacher with iOS devices?**

**just getting started with it as a school. myself using forms a number of times. we are just starting to use it.**

**'t use google tools yet, however am excited to learn.**

**AT OUR SCHOOL WE USE FOLDERS IN DRIVE.**

- **I use google docs for some reflection pieces but not often**
- **communication and collaboration with other teachers.**
- **Student collaboration for projects**
- **the last thing I did was have my students complete a form I created about their reading status**
- **surveys**

**Introduced as part of our technology training**

- **7th grade presentations on Internet safety**
