

Schedule | Basketball Band [2018/19]

Chris Thomas, Director

Go Spartans!

Basketball band is one of the most important parts of our program. By the end of the year, basketball band likely will play for a larger audience than any other part of the band program. It's important we have a good pep band!! What we're going for: participation, excellent, sportsmanship, and lots of Spartan school pride. We want to be model citizens for the school and our community.

Here's our schedule and policy document. At a minimum, you need to participate in 4 games. Those 4 games are worth 25 points each. For extra credit, you are encouraged to participate in additional games (10 points each). Going to 8 or more games will earn you the special distinction of Varsity Pep Band, which entitles you to 80 lettering points and priority for any postseason travel the band does should one or both of our teams make a solid run into the playoffs. The extra community events listed will not count towards your total of 4 required performances, but they will count towards the 8 games for varsity pep band, and any extra credit. No sign ups are required. Just show up on time and play.

Grades for Basketball Band will go into FALL semester's gradebook. Don't forget to sign in to each game you play at.
