

## **ALA PARENT TECHNOLOGY USE AGREEMENT**

If your student has been accepted for a long term computer loaner they will be issued a Google Chromebook to use to complete assignments throughout the **2024-25 school year**. In order to implement this program, each student's parents are expected to agree to do the following:

1. I have reviewed the Ascend Leadership Academy [Acceptable Use of the Internet](#) Policy
2. I agree to monitor the use of the Chromebook at home and outside of school.
3. I agree to pay any fines or fees incurred through damage or neglect to the device. I understand that in the case of financial hardship, a payment plan may be offered to me. For more information please review ALA's [Parent and Student Technology Policy Handbook](#)
4. In the case of theft or vandalism off-campus, I agree to file a police report the day of the incident.
5. I understand that the school has the discretion to permanently confiscate Chromebook.

*I have read and understand the programs and policies listed in ALA's Acceptable Use of the Internet policy, and Parent and Student Technology Policy Handbook. I take full responsibility for the electronic device issued to me by Ascend Leadership Academy and I understand that there may be fees and fines associated with any damage done to the device due to my child's or my negligence.*
