

Senior Honor Spotlight – David D’Angelo

Nickname: Double D.

Best Sanborn Memory:

My favorite Sanborn memory was taking the Corvette to prom.

Accomplishments:

My biggest accomplishment was earning Eagle Scout. I also got accepted to my first choice college.

Plans After High School:

After High School I plan on attending a Maritime Academy. I have been accepted to Maine Maritime Academy, I will be studying Marine Transportation Operations. For the first two years I will focus on academic course work in engineering sciences. I also will be developing maritime skills through the training cruises that are required. By my third and fourth year I will start to specialize in Marine Transportation. In my fourth year, upon graduation I should acquire my 3rd Mate Unlimited Ton License. I will also earn my undergraduate Bachelor's of Science Degree. During my fifth year after high school I plan on working in my chosen field traveling the world.

Staff Reflections:

I have had the pleasure of working with David for the last nine years as he is a trumpet player in our school band. David is a thoughtful, kind student always ready to help. He is an Eagle Scout and his kindness and helpfulness are intrinsic values in Scouting. After graduation, David plans on attending a Maritime Academy for a life of service on the water. I wish him all the best and look forward to seeing what life has in store for him. - Mr. Bradd
