

Tauranga Roller Skating Club

COACHES PROFILE

Emma Delo

CAC & Learn to Skate

Hey! My name is Emma and I'm 18 years old. I studied early childhood level 1 Toi Ohomai, I work as an early childhood teacher and I am also now a free-skating coach.

I have been roller skating now for almost 9 years now and it has always been my dream to become a coach.

Over my years in skating I have competed in numerous competitions such as nationals, areas, regionals, Laurie Hastie and many others. I have competed in free-skating (preliminary-junior), dance, figures and I was a part of an amazing precision team (Purple Reign). At the 2023 nationals I competed in youth free-skating and won the title of top youth free-skater for 2023 which is my top achievement as a skater.

I have now settled down with my skating to focus purely on figures and dance but most importantly to pass on my passion for the sport to the next generation of young skaters.

As a coach my goal is to build strong and positive relationships with skaters and be someone they can look up to and come to on and off the rink. My dream is to bring up young competitive skaters and help them reach their goals. My goal is to make sure that each skater's journey is enjoyable and something they can be proud of.
