LEAVES, LEAVES, LEAVES! PIGPEN is BROKEN! Our old leaf truck, affectionally nicknamed Pigpen, has been sent out for repair...it was beyond what we could fix. Please bear with us as ODB makes the rounds and picks up leaves as quickly as possible. We are on route and will make it to you in an orderly manner. It could take as long as two weeks to make the rounds with the one truck...we appreciate your patience.

Please consider the walkers, joggers and strollers as you put your leaves out by the curbside by leaving a space for them to pass without going into the roadway. Thank you!

LOOKING FOR BELL RINGERS!

Will you help me HELP THE NEEDY for Christmas?

Please ring a "RED KETTLE" bell for the Salvation Army for Christmas this year. For as little as 1-2 hours, ringing a bell inside the Lake Wylie Walmart you can become one of the Residents of River Hills making a huge difference in the lives of many needy people in York County.

I am on the Board of the Army and committed to ringing the Bells for several days for Christmas. **December 11 – 16 are set aside for River Hills residents**, but other dates are also available. Monday thru Saturday, 10 – 6, you can even bring a chair to sit on, and it is out of the weather!

A full shift is as little as 2 hours, but you can do 1 hour if that is your best. Ring the bell alone, or with a partner. And it is even a "feel good" effort!

The money raised goes for food, clothing, and utilities for needy people, one of the very best charities there is. Please call me to schedule a shift, or if you have any questions.

Thanks for your generosity!
