

Upon completion of a team/group project you will complete a project evaluation. Using this document you will rate the assignment, your performance, and your teammate.

1. In this activity, what went well?

2. In this activity what did not go so well?

3. If you were to start over, what would you do differently?

4. How would you rate **yourself** as a teammate on this activity? Why? (give yourself 1-5 points)

5. How would you rate **your teammate(s)** participation and focus on this activity? Why? (list each teammate and give them each 1-5 points)
