The following is the plan of the Laurel School District regarding attendance at football games. This event is being divided into 4 venues. All venues must follow masking and social distancing guidelines. This plan is subject to change. Should the Laurel SD receive updated guidance from the governor's office, department of health, department of education, PIAA, or WPIAL, we will adjust accordingly.

Venue 1 (Field) Venue 1 is the playing area restricted to players, coaches, cheerleaders, officials, and other designated event staff. All participants in this venue will enter and exit through the main gate from the access road. Parking for players will be in the front parking lot near the gymnasiums and cheerleaders will be in the middle of the front parking lot. The Laurel FB team, coaching staff, event staff, officials, and opposition will not exceed 250 attendees.

Venue 2 (Band) Outdoor Classroom: Venue 2 is the band shelter, portable bleachers, and other areas designated as the outdoor classroom. This area is reserved for the Laurel Spartan band, auxiliary performers, advisors, directors, and designated event staff. Students in the marching band will be receiving grades and enrichment based upon their performance. Students will enter and exit through the Northwest gate located behind the Band Shelter. They will be seated in the shelter and additional bleachers/seats will be utilized to accommodate the masking and social distancing protocols. Parking will be out in the front of school for students in the band near the front entrance to the school. The band including musicians, auxiliary, directors and band event staff will not exceed 250.

Venue 3 (Home) Venue 3 will include all spectators from the Laurel fan base. Spectators will enter and exit through the Concession/Ticket Booth entrance. Parking will be on the West side of the complex. Fire Department volunteers will direct the fans from the home side to the west side to park. Parents, family members and any other ticket holders will not exceed 250.

Venue 4 (Away) Venue 4 will include spectators from the opposing team. Spectators will enter and exit through the East gate located near the discus entrance. Cones and caution tape will be in place going North and South along the practice field in order to give direction for opposing fans attending. Parking will be on the east side near the bus garage and the varsity softball field. The opposition will be given 100 tickets to award as they see fit. The away side will not exceed 250.
