### ***ISEE and SSAT Prep Programs***

#### **Prep & Tutoring for the ISEE**

For students applying to independent middle schools

**Virtual**

*Quintana Carter, Sexton Test Prep*

This Middle Level ISEE course is designed for students who may be applying to independent/private schools for grade levels 6-8. The virtual nine-hour course, five-night workshop includes a proctored full-length practice exam, and it is designed to give students a complete overview of all sections of the ISEE. By participating, students will become familiar with powerful ISEE strategies and improve their knowledge of the most commonly tested topics - from finding slope to vocabulary-in-context. The skills and tips learned during this intensive workshop will provide a strong foundation for your student's ISEE preparation. The course also will provide diagnostics that can guide further targeted preparation, either for the exam or in school. **Note: There will be an additional fee for required materials, with package prices ranging from \$95-\$300/student. For more information on the packages, contact Sarah Weiner, [saw@sextontestprep.com](mailto:saw@sextontestprep.com). The materials fee that will be paid directly to Sexton Test Prep & Tutoring.** Limited to 14.

*Dates: 5 Mondays, September 29-November 3 (no class 10/13) Time: 5:00-6:30 PM (8:00 PM on 10/6) Fee: \$460*

#### **Prep & Tutoring for the SSAT**

For students applying to independent prep schools

**Virtual**

*Quintana Carter, Sexton Test Prep*

This Upper Level SSAT course is designed for students who may be applying to independent/private schools for grade levels 9-12. It is a virtual nine-hour course that includes a five-night workshop, with a proctored full-length practice exam. It is designed to give a complete overview of all sections of the SSAT. By participating in this course, students will become familiar with powerful SSAT strategies and improve their knowledge of the most commonly tested topics - from analogies to slope. Students will also learn which resources and study methods give them the best chance of succeeding outside of class. The skills and tips learned during this intensive workshop will provide a strong foundation for your student's SSAT preparation. Also, the course will provide diagnostics that can guide further targeted preparation, either for the exam or in school. **Note: There will be an additional fee for required materials, with package prices ranging from \$95-\$300/student. For more information on the packages, contact Sarah Weiner, [saw@sextontestprep.com](mailto:saw@sextontestprep.com). ### SAT Prep Courses: Summer

Your rising junior or senior will likely have more time to focus on SAT Prep during the summer than they will during the school year. Each summer SAT Prep class registration includes the opportunity for your child to take two additional prep classes and one additional practice test during regularly scheduled, school year prep sessions. Typically, students will take the additional classes and practice test just prior to the date when they are registered to take the SAT.

#### Section 1

*Dates: 8 Wednesdays, July 2-August 20*

*Time: 5:00-8:00 PM (until 9:00 PM on practice test nights, July 2 and August 6)*

*Fee: \$785*

#### Section 2

*Dates: 4 Tuesdays and 4 Thursdays, July 29-August 21*

*Time: 5:00-8:00 PM (until 9:00 PM on practice test nights, July 29 and August 14)*

*Fee: \$785*
