To whom it may concern:

I am writing on behalf of Breonna Taylor who was shot 8 TIMES on March 13, 2020, I urge you to do the following:

- (1) Revoke the pensions of the officers who murdered Breonna Taylor: Brett Hankison, Jonathan Mattingly, and Myles Cosgrove;**
- (2) Fire, arrest, condemn, and charge of officers Hankison, Mattingly, and Cosgrove.**

These officers actions were not justified and should be prosecuted for murder. They took no account for Breonna, Kenneth Walker, or any of the residents there for that matter by blindly shooting into her home. There should be a **zero-tolerance** policy for police/county attorney's/judges/attorney general's misconduct and offenders need to be publicly and legally accountable.

Our country has been fighting hard against systemic racism in our law enforcement and judicial system. The shooting of Breonna Taylor is more evidence of that racism. Justice must be served now, tomorrow, and the next day until Police Departments agree to begin correcting our broken law enforcement system which they supposedly uphold. This investigation has been watched closely by millions of concerned citizens like myself who will continue to demand justice for Breonna Taylor and her family until justice is served.

Sincerely,
