

# **Birds Can**

**By Jana Ethnasios**

Bird can try,  
Birds can fly,  
Birds can go up high,  
And try to fly.

Birds can eat,  
Birds have feet,  
Birds can grab food,  
Right from their feet.

Birds can make a mess,  
Birds make nests,  
Birds can make a mess,  
With a nest.

Birds can leap,  
Birds can sleep,  
Birds can leap,  
In their sleep.

Birds have feathers,  
Birds feel the weather,

Birds have feathers,  
For the weather.

Birds can sneeze,  
As well as wheeze,  
Birds can sneeze,  
When they wheeze.

Birds can,  
I can,  
You can,  
The guy down the street can,  
Too-Can!!!
