

Spring, 2022

Dear Parent/Guardian,

Last fall, more than 50 boys and girls who live in the neighborhoods near Huegel School played soccer in a program there, which was sponsored by the Millennium Soccer Club. We will be offering our program at Huegel again this spring. It will provide all of our players a tremendous opportunity to develop the skills needed to have fun and success playing soccer. Students are welcome to sign up whether or not they've had any previous soccer experience.

Our program will consist of six Saturday sessions beginning on **April 23rd and ending on May 28th**. The students who sign up will be playing on teams in one of our two grade-level groups: 1st/2nd or 3rd-5th. **The sessions for both groups will run from 9:30-11:00.**

At each session, our volunteer coaches will provide their players a variety of practice activities that will enable them to improve their individual and team skills. Following the practice, each team will play a game against another team in its grade-level group.

All sessions will take place at Huegel School, which is located at 2601 Prairie Rd.

In order for your child to play in our soccer program at Huegel this spring, you need to:

1. Fill out and sign our registration form.
2. Sign the information sheet about concussions/head injuries that is on the backside of the registration form. Wisconsin state law requires Millennium to provide this important information to its players and parents.
3. Bring a mask for your child and any spectators.

The cost to participate in our program is **\$7** and covers the spring season. Millennium will provide all **new** players a soccer uniform (jersey, shorts, shin guards, and socks).

If you are paying by check, you should make it payable to **Millennium Soccer Club**. If you care to make an additional contribution, it will be used to provide scholarships for those students who need financial assistance.

If you would like to have your child participate in our spring soccer program, you can turn in her/his registration form and fee payment at Huegel on the morning of our first session, April 23rd.

You can obtain additional information about the Millennium Soccer Club by visiting its website page at <https://millenniumsoccerclub.org>
