San Antonio Math Include

Provide Greater Access to STEM Education to All Students

Andy C.

**Tutor
San Antonio Math Include**

Andy is part of the Class of 2029 at Stevenson High School. He enjoys math and science and has participated in many competitions. He was a MATHCOUNTS chapter champion and part of the first-place state team. In middle school, he qualified twice for AIME and earned DHR recognition on the AMC 10. He also competed on his school's Science Olympiad team, where he earned medals at both the state and national levels. Now as a freshman, he works on coding projects in his free time. He is excited about tutoring and looks forward to helping others learn.
