Guidance information

1   The basic principles underpinning tikanga are common, but while there are some constants, the details of performance of tikanga, and their explanation, may differ. These differences may be at a rohe, iwi, hapū, whānau, or marae level. The context of the learning should include the tikanga of the local mana whenua (if capable), but learning others' tikanga is also encouraged. This is in order to enrich and enhance understanding of tikanga, and the associated reo.

2   Definitions
Tikanga are Māori values, processes and practices exercised by Māori in their daily lives. These reflect the concepts upon which they are based and provide guidelines for appropriate behaviour and conduct in Māori society. They also prescribe consequences for any breaches or when tikanga is not followed. They can be particular to a rohe, iwi, hapū, whānau, marae, or hapori.
Whakapapa includes a social order within whānau, hapū, iwi, and/or hapori.
