C-PP Band Program Financial Aid Guidelines

Financial aid is available to C-PPHS band program students on an as-needed basis and funded through the C-PP Band Boosters. Our goal is that this financial aid be available to those who cannot afford costs associated with the participation in the band programs. To request financial aid, please complete the attached form and submit it to your Band Director. Requests will be considered on a case by case basis. All requests will be kept confidential.

Financial aid will be allocated, to the extent funds are available, based on the following criteria:

1. Financial need
2. The student must be in good standing in the band program, show academic effort in other classes and exhibit good citizenship
3. Effort made by the student and family to participate in the fundraisers supported by the Band Boosters
4. Student/Family hours of volunteer time helping with the band and band activities (Band Boosters included)

In lieu of or in addition to financial aid, students are encouraged to earn money to cover the cost of the band programs by actively participating in booster-sponsored fundraising activities.

Please complete the attached form and return it to your Band Director. Be sure to indicate a method for us to reach you with our determination.
