Thinking Critically About School Surveillance

NAME

DATE

Directions

Many schools use monitoring software to track what students say and do online, all in the name of safety. But many students may not realize how invasive some of these technologies have become. What are the trade-offs when we put safety over privacy? Watch the video and use this sheet to list your thoughts. Then talk with others, and list how your thinking about school surveillance may have changed.

Video: **Your School Is Watching You Online ... Should They Be?** (from KQED's *Above the Noise*)

	At first I thought ...	But now I think ...
