**Subject:** Mechanical Scholarship Opportunity through CFESA

**Body:**

Hi **(Name)**,

I hope this email finds you well!

My name is **(insert name)** and our company, **(company name)**, is a member of the Commercial Food Equipment Service Association. We are currently offering a **\$2,500 scholarship** to be used towards tuition, fees, and materials during the 2023 academic year. In addition, the winner will receive a \$1,000 gift card for tools. You can learn more about our organization at [CFESA.com](http://CFESA.com).

I would love the opportunity to speak to your students about the career paths available in the commercial food service equipment repair industry and how their mechanical studies can be applied to this growing and financially rewarding field.

If this is something you feel your students could benefit from, I would love to schedule a time in the next few weeks, whether in person or virtual, to speak to your class. Please feel free to respond to this email or call me at **xxx-xxx-xxxx** for more information.

Best,

**Name**
