Preparation Sheet

Conferences can be overwhelming, especially the GHC with more than 12000 attendees! This sheet will help you to focus on your goals before/during/and after the conference. It asks you a few questions that will make sure you get the most out of your experience. The questions are based on my experience as a scholar in 2014 and 2015 at the GHC.

1 -4'-		-4-		_
Let's	aeı	Sta	rte	u

Example question: Are you wearing pants	today?	1

BEFORE THE CONFERENCE

My main goal for the conference in one sentence (e.g. internship offer at company x, listen to talk y, find a mentor, ...)

, ,	
	I

I want to meet the following 3 (feel free to insert more rows) people at the conference (e.g. Engineer y at company x, Data Scientist who graduated last year, a person from my home country...)

Person:		
Why?		
Contact details (e.g. email or talk):
