

Important Health Examination/Immunization and Medication Policy Change

Please return completed physical exams, immunization records, dental and vision exams to the school's "After Hours" drop box. These are located outside of each school. **The main offices will no longer accept medical or health paperwork.**

Medication and medication forms can only be given to a D105 school nurse and checked for compliance before being accepted at school. **No medication or medication forms will be accepted unless all paperwork is complete, and it is turned in directly to a school nurse.** This includes Emergency Action Plans signed by the HealthCare Provider. D105 will provide several ***Student Health Drop Off Days*** throughout the summer for parents to bring in paperwork and medications. These can also be turned in during normal school nursing hours (8:30-3pm) and anytime by appointment.

Kindergarten Students

1. **Physical examination/required immunizations:** required for all students on or before the first day of school (can be dated as early as one year prior to first day of school). Students cannot attend school without these.
2. **Dental exam:** required of all students and due by May 15th of the current school year. Can be done between November 11th of the prior school year and May 15th of the current school year.
3. **Vision exam:** required of all students and due by October 15th of the current school year (can be dated as early as one year prior to first day of the current school year).

2nd Grade Students

1. **Dental exam:** required of all students and due by May 15th of the current school year. Can be done between November 11th of the prior school year and May 15th of the current school year.

6th Grade Students

1. **Physical exam/required immunizations:** required of all students on or before the first day of school (can be dated as early as one year prior to first day of the current school year). Students cannot attend school without these.
2. **Dental exam:** required of all students and due by May 15th of the current school year. Can be done between November 11th of the prior school year and May 15th of the current school year.

Transfer Students

1. Physical exam/required immunizations: Due at time of registration. Out-of-State transfers need a new Illinois physical exam.
2. Dental exam: required in grades K, 2, 6.
3. Vision exam: required for K or any child entering an Illinois school for the first time at any grade and due by October 15th of current school year
