ATFER THEIR REVISE , i am sure this is a scam site they did sent me something otherwise it would be too obvious , 100 positive comment such a joke, oh btw, they are english is broken, they may not understand english but google translate it, i am not english native speaker but their worse than me for sure, they may hire some college students to do my master project.

**MyHomeworkHelp.com Service Review MyHomeworkHelp.com Service Review** This service is good for anything below thesis and dissertation. Even if your assignment is coursework or a term paper – MyHomeworkHelp can cope with those.

## My Homework Help Reviews

They solved my 60 page maths assignment. All the question were solved with the working out shown clearly as asked. A legit website. Able to pay with Pay Pal. My assignment was returned well before the due date.

Myhimeworkhelp has always done excellent work. Their turnaround time is exceptional, sending me the finished assignment sometimes weeks before the due date. I also double check the assignments with either grammarly or Turnitin to confirm that the paper is original and custom fitted for my needs only.

[MyHomeworkHelp.com Service Review](#) [MyHomeworkHelp.com Service Review](#) abishek - you are both cheaters. Hashing it out here doesn't look too professional. Especially when you insult the complainer.

## Happy with the service

Got my statistics SPSS task help from this team. They have one of the finest support and gave a rapid replies to my questions on a few steps. Overall a good experience. And you can negotiate with them on pricing for some discount, hope this helps others.

So far 10/10- It is easy to understand the way experts had completed the assignment. They delivered the project before the deadlines. All the guidelines are followed for the completion of the work. Therefore, for upcoming homework, I will prefer them.

**MyHomeworkHelp.com Service Review** **MyHomeworkHelp.com Service Review** All I can say about this company is that, the owner of the company is based in India. However, as they do not claim being based in another country (nor even in India - they just don't say it!), once again, it is hard to say which of the terms applies to it.

### Wonderful work

I got 100 % on my project and i am very happy with their services.

They are excellent in service and customer care.I had doubt, they got it resolved without charging anything extra. I could talk to expert.I refer them to my friends too

**MyHomeworkHelp.com Service Review** **MyHomeworkHelp.com Service Review** Anyone who go through your 3 profiles will know that you are person who just write negative comments to highlight your profile and Shame on you for that !!

Terrific work under too little deadline. You people are superb

Really bad. Don't recommended. They are so rude. When you asked question about your assignment they answered so rude. You give money and they say whatever they want.

I have been using their service for"engineering" subject. I find it to be a difficult subject but they made sure that I learn. It also allowed me to talk to their expert and guided me to a clear understanding of the subject. Thank you

**MyHomeworkHelp.com Service Review** **MyHomeworkHelp.com Service Review** Reading negative reviews and seeing their profile..I can blindly say " Negative Marketing " done to bring down website !

## Reliable and efficient

I had a quiz/exam in Finance and Statistics. I have not scored more than 50% but with their help i managed to score 100%.

My overall grade has improved considerably. They made my academic experience less burden.

Merci! :)

Wish could give them 10 Stars !!

They helped me when i was ill and i had no money. They motivated me not to give up studies and helped me in projects without charging me.

They even ran campaign to raise funds for Australian Bush Fire People

Every website is here to make money but it is nice to see some of them doing social responsibility.

MyHomeworkHelp.com Service Review MyHomeworkHelp.com Service Review I THOUGHT THEY WERE LEGIT CAUSE THEY HAD ALMOST 5 STARS BUT TRUST ME THEY ARE ALL WRITTEN BY SAME PERSON. DO NOT WASTE YOUR MONEY ON THIS WEBSITE!

## DO NOT IGNORE

DO NOT USE THIS WEBSITE. I went to submit an assignment and basically they need you to give an "EXPECTED QUOTE". I conducted an experiment and submitted the SAME assignment twice, with only the expected quote being different, 15\$ & 999\$. THEY ENDED UP CHARGING ME 90\$ AND 300\$ FOR THE SAME ASSIGNMENT. In order to avoid being price discriminated based on your income you should ENTER AN EXPECTED QUOTE OF 0\$ or even better DON'T USE THIS WEBSITE. There are DOZENS OF OTHER SITES that do the same thing, but better AND without price discrimination. Just search for "homework", on THIS WEBSITE. They also keep trying to get me to REMOVE this review. They even PAID ME to do so, while being very unprofessional and the manager telling me I "badly need a psychiatrist". Just check the attachment, if you don't believe me. I only accepted because money talks, but I TALK LOUDER . Besides, there was no legal agreement, just back and forth messages from the CRAZY SITE MANAGER. Hope I saved you guys some money.

I am very glad to avail a professional service from the myhomeworkhelp . I was very stressed due to my assignment for several subjects. I came across this website via google and submitted all details as asked by the website. In the same time i was in talk with others as well. After getting quote i found this as very less in comparison with others. I am so thankful for My Homework help .
