IMPORTANT LUGGAGE INFORMATION

Check in to individual hotel rooms at Yours Truly will take place at the front desk and will occur after the conference has begun, just before the dinner hour on Sat. Oct. 18. Until then, conference participants staying at the hotel will have a place to keep their luggage.

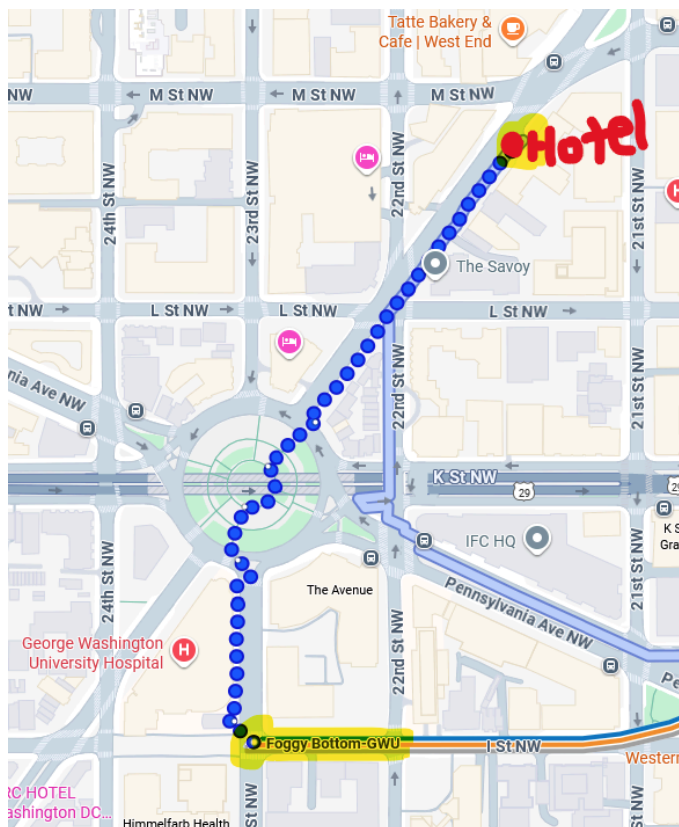

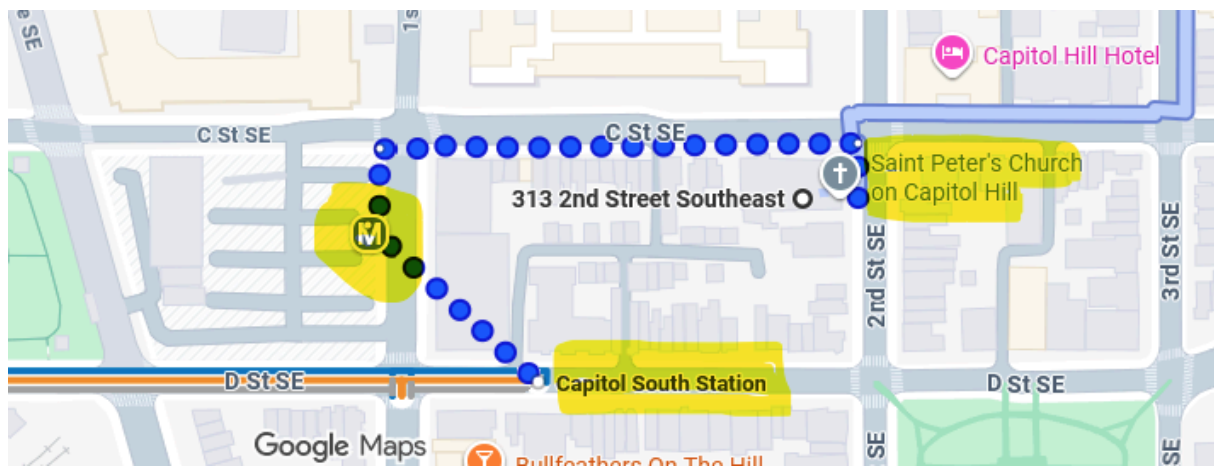

Check out of the Yours Truly Hotel is at 12:00 p.m. HOWEVER, all conference participants will be leaving the hotel together at 8:00 a.m. on Mon. Oct. 20 for Capitol Hill visits and checking out of your rooms at the hotel needs to happen prior to our 8:00 a.m. departure. The estimated time to check-out is 2-5 minutes. The front desk will have the bellman assist with luggage storage if desired.

Here are a few options to consider for your/your group's luggage on Mon. Oct. 20 morning.

- 1) Check your luggage with the Yours Truly Hotel. You may return to the hotel to retrieve it after lunch and the closing ceremony at Saint Peter Catholic Church (313 2nd St SE, Washington D.C. 20003), expected to end by 1:00 p.m.

Approximate time to get to Yours Truly Hotel from St. Peter's using the metro: 30 minutes.

Directions: Walk from St. Peter's to **Capitol South Station**, where you can take either the Blue, Orange, or Silver line to **Foggy Bottom-GWU station**, where you will depart the metro train and walk to the hotel. Make sure you get on the line going in the direction that will take you to Foggy Bottom-GWU.

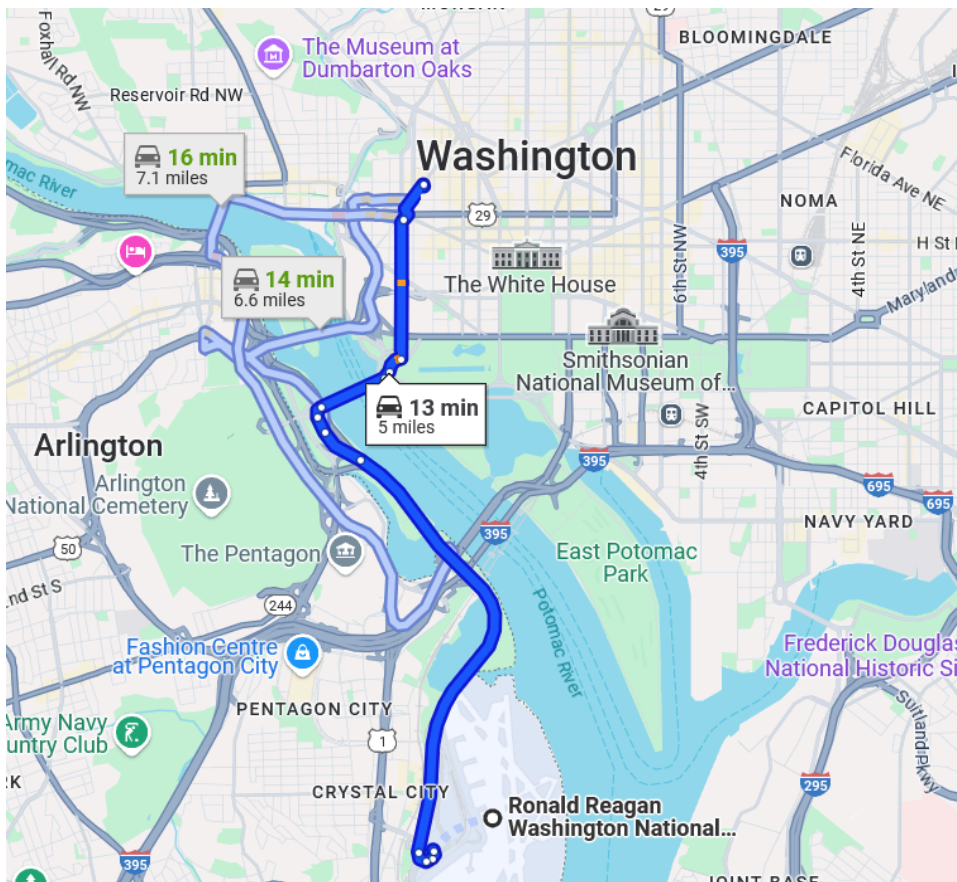

- 2) Within your group, you may choose to coordinate a driver/van to store your luggage and independently transport it to Capitol Hill, look for parking near Saint Peter Catholic Church (*only* paid street parking available), allowing you to depart from the church at 1:00 p.m, as an alternative to everyone returning to the hotel to retrieve luggage.
- 3) You may also choose to keep your luggage with you for the duration of Monday morning's Hill visits. Please note that while this is possible, it isn't recommended, as it would mean carrying suitcases while walking, on the Metro, and inside the Capitol itself. Security at House and Senate office buildings can also be strict, so having large bags may slow you down or cause extra hassle at checkpoints.
