The Northern Neck Wooden Boat School in partnership with the Reedville Fishermen's Museum is gearing up for our First Annual Cardboard Boat Regatta, and we want to invite you to jump aboard as a Race or Team Sponsor!

Our Cardboard Boat Regatta will be held on Cockrells Creek in the historic fishing village of Reedville, VA on Saturday, September 6, 2025.

Participating teams of all ages construct and decorate their own life size boats using cardboard duct tape, and imagination. These boats then take to the water in timed heats. Trophies are awarded to the fastest boat in each category and of course the most spectacular sinking.

In addition to fostering community spirit and creating a high energy event for adults and families alike, all proceeds support our mother ship the Reedville Fishermen's Museum and more specifically her little boat the NNK Wooden Boat School.

We hope you will be a part of this dynamic event by becoming a Race or Team Sponsor! Your organization's participation will be seen by hundreds of people the day of the event and by several thousand followers on news media, social media and our website before and after the event. During the event attendees will have multiple ways to become familiar with your business depending on your sponsor level. Enclosed are sponsorship materials. Please feel free to reach out to me with any questions about participating at (804) 453-8609 or info@NNKWoodenBoatSchool.org

Thank you for your consideration and we hope to see you there!
Sincerely;

David Clark,
Founder NNK Wooden Boat School
