Directions for Students
Click Here to View a Video Version of the Directions

1. Login to Google Classroom and find your assignment.
2. If you have a choice of opening the assignment with Kami or opening as a PDF, pick to open it with Kami.

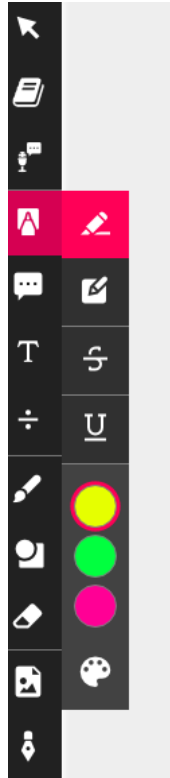

3. The first time you use Kami, you will need to allow it permission to use your Google Drive

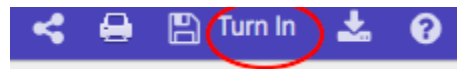

4. Double click on the assignment to open it.
5. If you accidentally, open the PDF first, don't panic. Just click on the blue, Open with Kami button in the top right corner of your screen.

6. Use the tools on the left side of your screen to draw, add text boxes or insert equations on your work.

7. When you finish your work, click the turn in button in the top right corner of your screen.

8. Click the Turn In button on the pop-up screen to confirm that you want to turn in your work.
