Poquoson Primary School will be replacing their current math textbook series to align with the adoption of the new SOL Standards. After completing a review process of possible options and selections, the Kindergarten Math Textbook Committee would like to recommend purchasing the following textbook:

### **The Math Learning Center**

*Bridges in Mathematics Grade K*

*Third Edition: 2019*

**ISBN:**

**978-0-13495-984-9**

Samples are open for public review until December 15, 2025. To view the complete curriculum online access can be granted. You may visit the School Board Office at 500 City Hall Avenue anytime during operating hours 8:30am-4:30pm, on days in which school is in session.
