

No

I am not comfortable writing about the following subjects in detail, and certainly not in a sexual/fetish context.

- Gore (in a sexual context)
- Necrophilia
- Pedophilia
- Scatophilia
- Zoophilia

Eh

I'm either not a fan of those, or just not very good with them. You'll probably find other writers who can do a better job.

- Pregnancy
- Vore

Yes

The list would be too long. If it's not there, you can probably assume I'm okay with it. If not then I forgot, in which case I apologise.

If you have any doubt at all, never hesitate to ask.
