***National Pollution Control Day Celebration***

With great pleasure we would like to inform you that the Department of Automobile Engineering along with NSS and Extra Curricular Committee of Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex remembered the National Pollution Control Day (2<sup>nd</sup> December of every year) by preparing posters to spread awareness about controlling pollution.

Every year, 2 December is observed as National Pollution Prevention Day in order to commemorate those who lost their lives in the Bhopal Gas Tragedy in 1984. This day also aims to make people understand the need for preserving our natural resources. It also raises awareness about how to prevent pollution caused due to industrial waste and human negligence.

Our students prepared posters to spread awareness how pollution can be controlled by planting trees and using the renewable form of energies for all our purposes. As the students of Automobile Engineering Department, they were quite keen to showcase the recent technologies of Hybrid and Electric Vehicles in order to prevent the pollution.

Some snapshots of the posters prepared are attached herewith.

Students participated in Poster Making

Sl. No.	Name	Batch
1	Ritwika Sen	2018 – 2022
2	Ripom Banerjee	2018 – 2022
3	Debjyoti Dutta	2018 – 2022
4	Ayushman Patra	2018 – 2022
5	Mithun Mazumder	2018 – 2022
6	Sabyasachi Das	2018 – 2022
7	Biswarup Biswas	2018 – 2022

Mr. Shankha Ghosh  
Assistant Professor cum Departmental NSS Coordinator
