Train Info for Spring Sessions 2023

Metro-North Trains Between NYC and Poughkeepsie

The following trains work well with the Spring Sessions schedule. This information was accurate as of press time. You can look up train schedules on this page: https://new.mta.info/schedules. The timetables for Metro-North train service on the Hudson Line between NYC and Poughkeepsie are online here: https://new.mta.info/document/97596. You may want to check the Metro North schedule and website for schedule and service changes before you travel: new.mta.info/agency/metro-north-railroad
