

Answer the following questions after you have re-viewed the Text #3 selection (**Make sure that you have already filled out the [Questioning Texts form](#)**. Record details that you notice and compare them with others in your class):

1. What details from the video suggest how difficult it was to survive the journey to the Pole?
2. Why does Amundsen say "it was like being a boy again" to reach the Pole first?
3. At the end of the video, what does Amundsen suggest when he says, "Victory awaits him, who has everything in order. Luck we call it."?
4. Record key details in a two-column notes format.

Sequential Details (then highlight the ones you feel to be important)	Important Details (Explain why you highlighted the ones that you did.

5. Compare and contrast the experience of *Close Reading* a text versus a video.
