

KIJABE COLLEGE OF HEALTH SCIENCES RESEARCH COLLECTION HIGHER DIPLOMA (KRNA/KRPoN/KRCCN)

RE SE AR CH NU MB ER	RESEARCH TITLE	NAME OF THE RESEARCHER	CLASS /YEAR
1.	A study to determine the health care professionals' level of knowledge on fluids management of pre-operative patients who are scheduled for surgery while in the wards at A.I.C. Kijabe	-Patrick N. Muturi -Bernard Rotich (KRNA).	MARCH / 2011
2.	A study to determine the causes of post operative nausea and vomiting at post operative care unit in Kijabe Hospital	-Phyllis Njagi -Rael Ibongon (KRNA).	
3.	Factors that contribute to postdural puncture headache among patients who underwent spinal Anesthesia at Kijabe Hospital between June 2009 to June 2010	-Charles Koech -Joseph Tanguis -Mutai Lewenei (KRNA).	MARCH /2010
4.	A study to determine patients level of knowledge on the benefits of regional Anesthesia versus general Anesthesia at A.I.C Kijabe Hospital	-Grace -Joyce (KRNA).	MARCH 2010
5.	To determine the health care professionals' level of knowledge on Fluids management of	-Patrick N. Muturi a - Bernard Rotich	MARCH / 2011

	pre-operative patients who are scheduled for surgery while in the wards at A.I.C Kijabe Hospital	(KRNA).	
6.	The efficacy of Femoral nerve block in controlling postoperative pain following femur surgery	Cosmas Owino Manyumba (KRNA).	
7	The contributing factors to failed spinal Anesthesia among patients undergoing surgical procedure in theatre at Kijabe Hospital	-Ralibenja Hariseheno Narindraniaina (KRNA).	MARCH / 2011
8	Degree of Hypotension for caesarean section based upon angle of uterine displacement.	Philiph Malel (KRNA).	MARCH /2011
9	A study to determine the postoperative analgesic requirements within 48hours in children 1-10 years undergoing general surgery at AIC Kijabe	Boniface Ponda (KRNA).	
10	Incidence of desaturation in PACU AIC Kijabe Hospital among Post operative patients.	Paul Mwangi (KRNA).	MARCH /2011
11	A study on intrethecal morphine in caesarian section patients to determine analgesia duration and possible side effects at the AIC Kijabe hospital	Esther W. Murage (KRNA).	MARCH /2011
12	A study to determine the risk factors associated with hypotension during spinal Anesthesia in AIC Kijabe	Irene W. Muhoro (KRNA)	MARCH /2011
13	A study to determine the efficacy of ondansetron and Metochlopramide in prevention of post operative nausea and vomiting in caesarian section with intrathecal morphine	Joseph Kiprono (KRNA)	MARCH / 2011
14	Post operative complications related to general anesthesia among children less than six years in AIC Kijabe hospital theatre	Fredrick P. Kateiya (KRNA).	MARCH /2011
15	Patient satisfaction with preoperative care: Implementation of Peri-operative questionnaire at Kijabe Hospital.	Naaman Mugambi Mikwa (KRNA).	MARCH / 2011
16	Research study on effectiveness of pain management among patients undergoing surgical operations in the operating rooms at Naivasha District Hospital in Nakuru county	Ogega Wycliffe Asiagi (KRNA).	March / 2021
17	The efficacy of femoral nerve block in controlling post operative pain following femur surgery	Cosmas Owino Mayumba (KRNA).	MARCH / 2011
18	Study to determine factors contributing to inaccurate documentation in Anesthesia records at A.I.C Kijabe Hospital Theatre	Simon Maruta (KRNA)	MARCH / 2012

19	Benefits of General Anaesthesia and spinal anesthesia on caesarean sections in Kijabe hospital	James Mburu (KRNA)	MARCH / 2012
20	The complications encountered by obese patients undergoing Anaesthesia I theatre	Irene Lutukai Nangila (KRNA)	MARCH /2012
21	A study to access the level of practice of peri-operative patients anesthetic safety at A.I.C Kijabe theatre	Samwel Njue (KRNA)	MARCH / 2012
22	A study to determine the risk factors of PONV in relation to Halothane and isoflurane anesthesia	Jane Waweru (KRNA)	MARCH / 2012
23	A study to determine the side of high dosage of oxytocin in post cesarean section mothers in Kijabe Hospital	Newton Okuku (KRNA)	MARCH / 2012
24	A study on factors contributing to complications from spinal anesthesia in patients undergoing surgery in theater	Rose Mwatu (KRNA)	MARCH /2012
25	A research study on effectiveness of pain management among patients undergoing surgical operations in operating room at Isiolo District hospital Isiolo county.	Samson Miriti M'kiiri (KRNA)	MARCH / 2012
26	Level of preoperative anxiety and its determinants among surgical patients in Kijabe hospital	Martin Munene Wambugu (KRNA)	MARCH / 2012
27	To determine the standard of care in the post anesthesia care unit (P.A.C.U.)	Eric Caleb Bassara (KRNA)	MARCH / 2012
28	The practice of pre-operative intravenous fluids to patients undergoing surgery in A.I.C Kijabe Hospital Theatre	Lucy N. Muthoka (KRNA)	MARCH / 2012
29	A study to determine causes of hypotension after spinal anesthesia in caesarian section in Maua Methodist hospital	Josphat Mwenda (KRNA)	MARCH / 2012
30	Research study on factors contributing to choice of anesthesia among mothers undergoing elective caesarian section at Kijabe hospital	Monicah W. Muiruri (KRNA)	MARCH / 2012
31	The incidence of post-operative nausea and vomiting among women undergoing elective caesarean section at AIC Kijabe hospital	Nicodemus M. Kithuma (KRNA)	March /2012
32	A study to determine factors contributing to complications from spinal anesthesia in Elderly patients in theatre at AIC Kijabe Hospital.	Rose Bascasio (KRNA)	March /2013
33	A study to determine factors contributing to inadequate post operative pain management at AIC Kijabe hospital , post Anesthesia care unit	Awar Deng (KRNA)	March /2013
34	A study to determine factors contributing to complications of cesarean section under	Rita Alfred Lako (KRNA)	March/ 2013

	Subarachnoid spinal block anesthesia at AIC Kijabe hospital theatre.		
35	A study to determine factors contributing to cases of failure of spinal anesthesia	Christmas (KRNA)	March/ 2013
36	A study to determine factors contributing to post operative complications related to general Aneesthesia among children less than five years in pediatric ward at AIC Kijabe hospital	Bedjwok Ezekiel Mojwok Aba (KRNA)	March /2013
37	Research study on factors that contribute to postdural puncture headache among patients who underwent spinal anesthesia at Kijabe Hospital between June 2009 to June 2010	Charles Koech Joseph Tangu Mutai Lawenei (KRNA)	March /2013
38	A study on factors contributions from spinal anesthesia in patients undergoing surgery in theater at AIC Kijabe Hospital.	Rose Mwatu (KRNA)	March/2012
39	A study to determine patient's level of knowledge on the benefits of regional anesthesia versus general anesthesia at AIC Kijabe Hospital.	Grace & Joyce (KRNA)	March /2010
40	A study on the knowledge and practice of intra-operative temperature monitoring among Kenya registered nurse anesthetists in Kijabe hospital theatre	Daisy Mukami (KRNA)	SEPT /2013
41	A study to determine whether TAP blocks lead to better patient outcomes after lower abdominal Surgery	Muchai Thuo (KRNA)	SEPT /2013
42	A study to determine factors hindering the use of total intravenous anesthesia (TIVA) in theatre department at AIC Kijabe Hospital	Stella Kwena (KRNA)	Sept/ 2013
43	A study to determine the practice of Non-Pharmacological management of anxiety in Elective surgery patients by KRNA's at AIC Kijabe hospital.	James Kabuchi (KRNA)	Sept /2013
44	Factors contributing to post operative complications in geriatric patients among health care workers at PACU in AIC Kijabe Hospital Theatre	Lagomi Issa Itiman (KRNA)	Sept / 2014
45	A study to determine the factors contributing to increased anxiety among Geriatric surgical patients attending AIC Kijabe Hospital Theatre	Pamellah Kasiti Ngeny (KRNA)	Sept / 2014
46	Outcomes of General Anesthesia versus Spinal anesthesia in 60 years and above patients with fractured Hip who underwent Total Hip Replacement at AIC Kijabe Hospital	Teresia Muthoni Gichoni (KRNA)	Sept / 2014

47	Impact and factors related to preoperative assessment at Kakamega County Hospital	Ben Juma (KRNA)	March/ 2014
48	A study to find out knowledge and practice in prevention of Hypothermia Perioperatively amongst Anaesthesia providers at AIC Kijabe Hospital	James Chege Kiarie (KRNA)	Sept /2012
49	Determinants and Outcomes of Decision-To-Delivery interval of emergency caesarian section in Isiolo County Hospital	Francis Ng'ang'a Ikuamba (KRNA)	Sept / 2014
50	Preoperative Anaemia: Prevalence and characteristics among Orthopedic patients at AIC Kijabe Hospital	Robert Mweni Tsofwa (KRNA)	Sept / 2014
51	Factors contributing to stress among anesthetists' students at AIC Kijabe Hospital	Geoffrey Ntoiti Mirithu (KRNA)	Sept /20 14
52	A study to determine the incidence of hypertension after rapid sequence induction of anesthesia with protocol at AIC Kijabe Hospital	Joseph Nhial Ipan (KRNA)	Feb/ 2016
53	Research project to determine factors contributing to incomplete documentation in Anesthesia records at Meru Level 5 Teaching and Referral Hospital Theatres.	Elisha Kaindio Etali (KRNA)	
54	Factors Contributing to Post Dural Puncture Headache following Caesarean section under Spinal Anaesthesia at Ruaraka Uhai Neema Hospital	Samuel Mungai Muiruri (KRNA)	July /2015
55	A study to determine the risk factors for Laryngospasms among children undergoing Ear Nose Throat (ENT) Surgeries at AIC Kijabe Hospital	Mary Mbiti (KRNA)	Sept / 2012
56	Factors affecting pain management of surgical patients among nurses at Consolata Hospital Nkubu – Meru County	Stephen Kithinji Murithi (KRNA)	
57	Factors contributing to Intra-operative Hypertension in patients undergoing c-section at Meru Mission Hospital – Kiirua	Agnes M. Nzomo (KRNA)	Feb / 2016
58	Knowledge and practice of Intra-Operative Pain management among clinicians in Nyeri Provincial General Hospital	Patrick Muhoro (KRNA)	Sept/ 2014
59	A study to determine the factors affecting compliance to Nil per oral among adult patients coming to operating theatre at A.I.C Kijabe Hospital	Gladys Chemutai (KRPN)	Sept/ 2014
60	A study to determine factors leading to site infection in Children done Ventriculoperitoneal Shunt placement in A.I.C Kijabe Hospital	Betty Chepkosgei (KRPN)	Sept/ 2014

61	A study to determine factors that leads to surgical site infection among Orthopedics patients in male and female surgical wards and on follow up clinic at AIC Kijabe mission Hospital	Shadrack Kipngenhoh (KRPN)	Sept/ 2014
62	A study to find out knowledge and practice of hypothermia perioperative amongst anesthesia providers at Kijabe Hospital	James Chege Kiarie (KRNA)	March /2014
63	A study to determine factors leading to site infection in children done ventriculoperitoneal shunt placement at Kijabe Hospital	Betty Chepkosgei (KRPN)	March / 2014
64	Knowledge and practice of Intra operative pain management among clinicians in Nyeri provincial general Hospital	Patrick Muhoro (KRNA)	Sept /2014
65	Factors contributing to post dural puncture headache following caesarian section under spinal anesthesia at Ruaka Uhai Neema Hospital	Samuel Mungai Muiruri (KRNA)	Sept / 2014
66	A study to determine the incidence of hypotension after rapid sequence induction of anesthesia with protocol at Kijabe Hospital	Joseph Nhial Ipan (KRNA)	Sept /2014
67	Factors contributing to post operative complications in geriatrics patients among health care workers at PACU in Kijabe hospital Theatre	Lagomi Itman (KRNA)	Sept /2014
68	The level of knowledge on benefits of spinal anesthesia versus General Anesthesia Among C/S mothers in Makueni county referral Hospital	Veronica Munyao (KRNA)	March/ 2016
69	Factors contributing to post Dural Puncture Headache among Post Spinal Anesthesia Patients at Kakamega County referral Hospital	Rose Musanga (KRNA)	March/ 2016
70	A study to determine contributing factors to per operative NON-Adherence among patients on Antihypertensive medication at Kapsowar Hospital	Amos Kipngetchi (KRNA)	March /2016
71	To determine factors contributing to incomplete Documentation of Anesthesia Records at Webuye county Hospital Theatres	Jamaal Omar Egessa (KRNA)	March/2016
72	Factors leading to delayed emergence of patients undergoing general anesthesia at AIC Kijabe hospital	Geoffrey Okenye (KRNA)	March/2016
73	A study to determine the impact of Preoperative Assessment at Kitale County Referral Hospital	Josphat Maroro Nyakweba (KRNA)	March/ 2016
74	Factors contributing to post Operative Nausea and Vomiting	Penninah Kyuvi (KRNA)	March /2016
75	Effect of pre-warmed intravenous Fluids on Prevention of Intra-operative Hypothermia	Christabel Nabwire (KRNA)	March 2016

	Among cesarean Section Mothers in County Hospital		
76	A study on Anaesthesia Documentation practice at Consolata Hospital Nkubu	Prisca Muyia Mbae (KRNA)	March /2016
77	Improving knowledge, Assessment and attitude of post operative pain management :Intervention Evaluation	Sylvester Ouma (KRNA)	March/2016
78	A Study to determine the level of knowledge on the benefits of regional anesthesia versus General anesthesia for mothers presenting for ceaserian section at the AIC Kijabe Hospital	Jeremiah Ndegwa (KRNA)	March/2016
79	A study to Determine the knowledge and practice of nurses on Pre-operative fluid therapy at Homa-bay County Referral Hospital	Duncan Manjao Kuyo (KRNA)	March/2016
80	A study to assess factors contributing to increased incidences of Bronchospasm among patients under General Anaesthesia at P.C.E.A Chogoria	Evelyn Maingi (KRNA)	
81	Determine the effects of hypothermia among adult patient post –operatively in PACU and surgical ward in Karatina Hospital	Merioth Kariuki (KRNA)	March/2016
82	Factors contributing to Intra-Operative Hypotension in Consolata Hospital Nkubu	Concepta Marigu samba (KRNA)	March /2016
83	Minimizing post-operative risk: Use of post anesthetics care Tool at Vihiga County Hospital	William Adede Litu (KRNA)	March/ 2016
84	A study on the contributing factors to Hypotension after spinal anesthesia during Caesarian section in Maua Methodist Hospital	George Gatobu (KRNA)	March /2016
85	Study to determine knowledge and practice in use of antiemetic for prevention of post Operative Nausea and Vomiting at Tanwek Mission Hospital	Aron Kipkemoi Korir (KRNA)	March/ 2016
86	Patient's level of knowledge on the benefits of regional anesthesia versus General Anesthesia at Kijabe Hospital	James Gony Joyce Chepkemai Veronica Wee Evelyn Olubayi (KRNA)	March/ 2015
87	A study on cost associated with spinal versus general anesthesia in Cesarean section mothers at AIC Kijabe Hospital	Edwin Komolo Boniface Oudia Philip Mecheo Winnie Gasper (KRNA)	March /2015
88	A study to determine factors leading to delayed emergence in paediatric patients after general Anaesthesia in consolata Hospital Nyeri	Elias Ngari (KRNA)	March /2016

89	A study to determine the effectiveness of regional versus General anesthesia in Orthopedic Procedure	George Wafula (KRNA)	Sept/ 2013
90	Problem associated with lack of Pre-operative evaluation among surgical patients at Mukurwe-ini Sub county hospital	Joseph Mwangi (KRNA)	Sept /2016
91	Inter-professional Communication in operating Theatre at Nyamira County Referral hospital	George M. Onduka (KRPN)	March/ 2017
92	Prevalence of Post –Operative Complications associated with General anesthesia among Cesarean section mothers at Makueni Level Five Hospital	Tabitha Mukami Kubuta (KRNA)	Sept /2016
93	Factors contributing to pre-operative stress among male surgical patients attending AIC Kijabe Hospital	George Mburu (KRNA)	Sept / 2016
94	Maternal satisfaction with spinal anaesthesia for referral delivery among the mothers delivering at A.I.C Kijabe Hospital	Grace Masese (KRNA)	Sept /2015
95	Factors contributing to inadequacy of peri-operative documentation among anesthetists in Nairobi South hospital	Festus Njiru Nduma (KRNA)	Sept 2016
96	Informed consent :Knowledge of surgical and Anesthesia among surgical patients at Cost general Hospital	Arthur Mwova Kithendu (KRNA)	March/ 2016
97	Post Operative complications and associated factors at Nyahururu county Hospital	Nehemiah Kimani (KRNA)	Sept/ 2016
98	Infection control : To determine the existing practices among theatre staff at AIC Kijabe	Moses Mwenda Chris Aledi John Maagok Francis Njenga Hezron Okumu	
99	A study to determine risk factors which contribute to desaturation in PACU at AIC Kijabe Hospital	Joseph N. Muta (KRNA)	Sept/ 2013
100	A study to examine the neuromuscular monitoring techniques among adult patients peri-operatively at Kijabe Hospital in Theatre depart	Clement Korir Sept2013 (KRNA)	Sept / 2013
101	A study to determine demographic data for patients with femur fracture who presented at Kijabe hospital (Theatre Department) Between the year 2011-2015	Linus Ouma Wanyama Joseph Festo Salah Beatrice Akinyi Olenyo Julius Mworia (KRNA)	
102	The effectiveness of pain management in post CS mothers in Pumwani District Hospital in Theatre /Ward 4/Ward5/Ward6	David Ndabari (KRNA)	Sept/ 2013

103	A study to determine factors contributing to inadequate post operative pain management at AIC Kijabe Hospital post Anesthesia care unit	Jude Omasaja (KRNA)	
104	A study to determine the level of safety to patients undergoing surgery through use surgical safety checklist in AIC Kijabe Hospital	Virginia W. Njenga (KRPN)	March/ 2014
105	A study to determine the risk factors associated with hypotension after spinal anesthesia on mothers undergoing caesarean section at A.I.C Kijabe Hospital	Norman Sang Maina (KRNA)	Sept /2013
106	A study to determine the practice and effectiveness of prophylaxis treatment in prevention of post operative Nausea and vomiting in Gynecological surgical patients in A.I.C Kijabe Hospital	Antony Karibe (KRNA)	Sept /2013
107	A study to determine demographic data for patients with femur fracture who presented at Kijabe hospital (Theatre Department) between the years 2011-2015	Linus Wanyama Joseph Festo Salah Beatrice Akinyi Olenyo Julius Mworio (KRNA)	
108	A study to determine incidences and contributing factors of Intra-operative awareness in adult patients undergoing surgical procedures , while under general anesthesia at AIC Kijabe Hospital	Odhiambo Adrian Opere (KRNA)	Sept / 2013
109	To Determine Infection control Practices among theatre staff at Kendu Adventist Hospital	Erick Otieno Ondongo	March / 2016
110	The risk factors predisposing children to Hypothermia during anesthesia at AIC Kijabe hospital	Emilly Odindo (KRNA)	Sept /2013
111	Adherence of Post operative pain management with world health organization standards at Kijabe Hospital	Edwin Rabar (KRNA)	Sept /2013
112	Study to determine challenges facing anesthesia in Siaya district Hospital	Tabitha Osuo (KRNA)	
113	Maternal satisfaction with spinal anesthesia for caesarean delivery among the mothers delivering at AIC Kijabe hospital	Grace Masese Sumba (KRNA)	Sept /2015
114	Factors contributing to surgical site infection among patients in Kendu Adventist Hospital	Isaack Okeyo Nyangiye (KRNA)	March /2017
115	Factors influencing Postponement of elective Surgeries at Vihiga county referral Hospitals	Angela Kadesa (KRNA)	Sept/ 2017
116	Factors contributing to Intraoperative hypotension in patients undergoing surgery and Anesthesia in Consolata Hospital Nkubu	Emilyjoy Gatwiri Miriti (KRNA)	Sept /2017

117	Factors affecting Anesthesia Documentation practice at Nyambene Sub-County Hospital Meru	Edtih N. Mbobia (KRNA)	Sept /2017
118	Factors contributing to work Related Fatigue among Anesthetists at Kijabe Mission Hospital	Racheal Wanja (KRNA)	Sept /2017
119	Factors affecting clinical Learning among Kenya Registered Nurse Anesthetists students in A.I.C Kijabe college of Health.	Manjory Maina (KRNA)	Sept/ 2017
120	Factors affecting infection preventive practices among Nurse Anesthetist's students in A.I.C Kijabe College of Health Sciences.	Harrison Momanyi (KRNA)	Sept /2017
121	The adequacy, accuracy and legibility of Anesthetic Records in Maua Methodist Hospital Theatre Department.	Purity K. James (KRNA)	Sept /2017
122	Completeness of Pre-Anesthesia Evaluation form at AIC Kijabe Mission Hospital.	Gershon Omolo Onduto (KRNA)	Sept/2017
123	Factors affecting process of informed consent signed by mothers done Caesarian section in maternity unit at Mombasa level five teaching and referral Hospital	Maurice Musyoka Muli (KRNA)	Sept /2017
124	Assessing the rate of adherence and factors influencing fluid and dietary recommendations among patients with end stage renal Disease undergoing Haemodialysis at Kikuyu Hospital renal Unit.	Judy Wairimu Wambui (KRCCN)	March/ 2018
125	Epedrine requirements in spinal anesthesia among the 65 years and above patients in AIC Kijabe hospital.	Kuku Yusuf David (KRNA)	March/ 2018
126	Impact of pre-operative assessment tool in preventing cancellation of scheduled surgery among surgical patients at Kitale county referral Hospital	Lenard Waliaula (KRNA)	March/ 2018
127	Practice of anesthesia Record Documentation Among Anesthetists at AIC Kijabe Hospital Theatre	Beatrice Mukami (KRNA)	March /2018
128	Challenges facing the Kenya Registered Nurse Anesthetist trainees in conducting Research in AIC Kijabe college of health sciences	John Kago Maina (KRNA)	March/ 2018
129	Surgical Outcomes among Scheduled patients at Chogoria Hospital	Purity Nkore (KRNA)	March/ 2019
130	Impact of pre-operative assessment tool in preventing cancellation of scheduled surgery among surgical patients at Kitale county referral Hospital	Lenard Waliaula (KRNA)	March/ 2019

131	The level of implementation of the WHO surgical safety check list at Tigoni level 4Hospital	Patricia Mulwa (KRNA)	March/ 2018
132	Anesthesia management of obese patient for reduction of fracture Tibia Fibula	Moses Adoli (KRNA)	March/ 2018
133	Contributing factors to hypotension among caesarean section mother during spinal anesthesia at Marsabit County Referral Hospital	Josphat Kinoti Murira (KRNA)	March /2018
134	Nurses' knowledge and attitude on pain management in post caesarean section patients in AIC Kijabe Hospital Maternity	Oguma O. George (KRNA)	March /2018
135	Factors contributing to under utilization of TIVA among Anesthetists in Machakos level5 county.	Joseph Kyalo Musyoka (KRNA)	March /2018
136	The level of Implementation of the WHO surgical safety checklist at Tigoni Level 4 Hospital	Patricia Mulwa (KRNA)	March/ 2018 Duplicate copy
137	Impact of prayer on Patients undergoing surgery at Maria-kani Cottage Hospital	Calvince Achieng' Awiti (KRNA)	Sept/ 2016
138	Effects intrathecal morphine among post operative adult patients at AIC Kijabe Hospital	Jeremiah Naibel	March/ 2018
139	Contributing factors to mortality among critically ill patients admitted to ICU at AIC Kijabe Hospital: Kiambu County	Florence Njeri (KRCCN)	March /2018
140	Factors contributing to knowledge and practice on personal protective equipment by Nurses at Kijabe critical care Unit	Hellen Wanjiku (KRCCN)	March/ 2018
141	What is the knowledge of preoperative care on orthopedic and abdominal surgical patients at Kijabe Hospital in medical/surgical wards?	???	
142	Analgesic use in the management of Post-operative pain at ST. Matia Malumba	Beatrice Kalekye Musyoka (KRNA)	SEPT'/ 2017
143	Nursing documentation practice among nurses in the intensive care unit at Kijabe Hospital	Lilian Nguthari Kang'onde (KRCCN)	Feb/2014
144	Knowledge on prone positioning complications and preventive measures among anesthesia caregivers in Kijabe	Ambrose M. Mwaniki (KRNA)	July/2019
145	Contributing factors to Mortality among critically ill patients admitted to ICU at AIC Kijabe hospital ; Kiambu county	Florence Njeri (KRCCN)	March/ 2018
146	Knowledge on prone positioning complications and preventive measures among anesthesia caregivers in Kijabe	Ambrose M. Mwaniki (KRNA)	July /2019
147	The level of documentation of care among critically ill patients by Nurses at AIC Kijabe Hospital	Grace Kabui Karanja (KRCCN)	April/ 2018

148	Assessment of adult post-operative pain management ,knowledge ,attitude and practices among nurses working in Marsabit county referral Hospital	Galgallo Golicha Huka (KRNA)	Nov/ 2018
149	Effectiveness of acute Post-Operative pain management within 2Hrs after caesarian section at Malava Hospital	Dickson Shiyonga Mushiramu (KRNA)	April/ 2018
150	Outcome of pethidine and tramadol among surgical at Murang'a county Referral Hospital	Muigai Emma Nyambura (KRNA)	March/ 2018
151	Factors leading to the incidence of ventilator acquired pneumonia amongst patient admitted at AIC Kijabe Hospital	Jennifer Mwebia (KRNA)	March/ 2018
152	Factors contributing to Post-operative Nausea and Vomiting among women undergoing elective Caesarian section at Kiambu county	Weston Muriithi Ngoroi (KRNA)	March /2019
153	Incidence and control measures of intra-Operative Hypo	William Wario Dub KRNA	
154	Prevalence and determinants of Burnout among Peri -operative Nurses working in Makindu Sub County Hospital	Judith Nzoma (KRNA)	March / 2019
155	Level of Knowledge regarding Anesthesia and Anesthetist roles among patients undergoing surgical	Samuel W. Ngatia (KRNA)	March /2019
156	A study to assess the level of knowledge on post Anesthesia care among Nurses at AIC Naivasha Medical Centre	Eric Micheni Miriti (KRNA)	March/ 2019
157	Factors contributing to incomplete documentation of anesthesia records among anesthetists at Kiambu level 5 Hospital	Nancy Wambui Maina (KRNA)	March /2019
158	A study to determine factors contributing to incomplete documentation of Anesthesia records at Kiambu Level 5 Hospital Theatre	Janet Wambui Kiragu (KRNA)	March/ 2019
159	Barriers to Family engagement in the care of critically ill patients among Nurses in the critical care Unit, Nanyuki cottage Hospital	Zaweria Warukira Ndegwa (KRCCN)	Sept/ 2021
160	Level of preparedness to start an ICU in Marsabit county referral hospital	Sofia Molu (KRCCN)	March/ 2019
161	Factors contributing to ICU staff motivation at Kijabe Mission Hospital	Julia N. Ndun'gu (KRCCN)	March/2021
162	Assessment on factors contributing to communication barriers between the Nurse and sedated Mechanical ventilation barriers between the nurse and sedated mechanical ventilated patients in ICU at AIC Kijabe Hospital	Chisomo Mable Kamzitu (KRCCN)	Sept/ 2021
163	Factors contributing to surgical site infection following exploratory laparotomy at A.I.C Kijabe Hospital, Kiambu county	Paul Maina Mwangi (KRNA)	March/ 2019

164	Factors contributing to complications of spinal anesthesia in patient undergoing surgery in theatre at Kijabe Mission Hospital	Daina Nyawira Kinyua (KRNA)	March /2019
165	Knowledge and practice on intravenous fluid Administering pre and Intra-operatively among Nurse Anesthetists at AIC Kijabe hospital	Nicholas Nthei Musila (KRNA)	March/ 2019
166	A study to determine factors contributing to NON-Adherence to post adherence to Peri-operative pain management with world health organization set standards	Charles M Macharia (KRNA)	March/ 2019
167	Pre-Operative anxiety among pregnant women undergoing elective caesarean section in Kisii Teaching and Referral Hospital	Lydia Mose (KRNA)	March /2019
168	The knowledge and practice of Pre-Anesthesia assessment among anesthetist/ Anesthesiologist	Orazio K. Njagi (KRNA)	Sept/2019
169	Challenges associated with Pre-operative evaluation among Surgical patients at Nyahururu county Referral Hospital	Consolata Nyakinyua Gitahi (KRNA)	March/ 2019
170	Factors influencing the choice of Peripheral Nerve Block sat AIC Kijabe Hospital Operation	Emmanuel Etyang Ekidet (KRNA)	March/ 2021
171	The knowledge and practice of pre-Anesthesia assessment among anesthetist /Anesthesiologist at Chuka County Referral Hospital Tharaka Nthii County	Orazio K. Njagi (KRNA)	Sept /2019
172	Intrathecal Morphine in the Cesarean Section to determine patient analgesia duration and possible side effects at Garissa County referral Hospital	Suleiman Mohamed Khalif (KRNA)	Sept /2019
173	A study to determine factors influencing pain intensity among mothers postoperatively after cesarean section in Kiambu Level5 Hospital.	Christine Kina Njeru (KRNA)	March/ 2019
174	A study to Determine factors contributing to incomplete documentation of anesthesia records at Kiambu level 5 Hospital Theaters	Janet Wambui Kiragu (KRNA)	March/2019
175	Factors that Hinder Nurses from Administering Fluids Preoperatively to elective Cesarean section mothers in Maternity ward at at Tanwek Mission	Mercy Birir (KRNA)	March /2019
176	Factors influencing the implementation of the WHO surgical I safety checklist at Kijabe Level5 Hospital.	James Njaya Wanjala (KRNA)	March /2019
177	A study to Determine the nurses level of knowledge on fluids management of Pre-Operative inpatients scheduled for surgery at Makueni County referral Hospital	Barnabas Ndabuki (KRNA)	March/2019

178	To determine factors hindering anesthetist from wearing Radio protective gear during orthopedic surgeries with ionizing radiation exposure intra-operatively at A.I.C Kijabe	Duncan Ngoji (KRNA)	Sept/ 2019
179	A study to determine the factors influencing pre-operative anxiety among adult patients scheduled for elective surgeries in Mitunguu Hospital Meru County	Alex Gikunda (KRNA)	Sept/ 2019
180	Factors contributing to catheter associated urinary tract infection among ICU patients in Kijabe Hospital	Mary Muchina (KRCCN)	Sept/ 2019
181	Knowledge and practice of Endotracheal tube Cuff pressure management among Nurses working in Adult Critical care Units at AIC Kijabe Hospital	Lincon Munish (KRCCN)	March /2019
182	Barriers to the practice of pressure Ulcer area care among Nurses at AIC Kijabe Hospital Critical care Unit	Alice Gitonga (KRCCN)	Sept/ 2019
183	Relationship between anxiety in the pre-operative period and analgesia requirements in the Postoperative period	Grace Njoki Ngige (KRNA)	Sept /2019
184	A study to determine factors leading to delayed emergence in pediatric patients after General anesthesia	Hillary Ashikhoya (KRNA)	Sept/ 2019
185	Factors contributing to intra operative hypotension in patients undergoing surgery and anesthesia in Migori county referral hospital	Samuel Mtesa Omonge KRNA	Sept/ 2019
186	Barriers to post anesthesia care among surgical patients Vihiga county referral Hospital	Victor Lumasia Mwangi (KRNA)	Sept/ 2019
187	Factors leading to delayed emergence from general anesthesia among patients undergoing surgery in Kiambu County Referral Hospital	Geoffery Kathawe (KRNA)	Sept /2019
188	Stressors and coping strategies among health workers working in the Post anesthesia care unit at Garissa county Referral Hospital	Mahdi Dubow Adan (KRNA)	Sept/ 2019
189	Factors contributing to Post dural Puncture Headache among patients undergoing spinal anesthesia at Garissa referral	Korane Ahmed (KRNA)	Sept/ 2019
190	To determine factors that hinder anesthetists from giving adequate Analgesics intra-operatively before taking patients to PACU at AIC Kijabe Hospital	Jared Kiprotich Ngetich (KRNA)	Sept/ 2019
191	Research study on factors contributing to post extubation complication among patients who have undergone general anesthesia in Kijabe Hospital	Moses David Mboro (KRNA)	Sep/ 2019

192	Factors influencing Non- adherence to Pre-operative examination standard operating procedures in Busia county	Salome Nabalayo Syara (KRNA)	Sept /2019
193	Determinants of pain management among patients who have undergone surgery General anesthesia at Asumbi mission hospital	Rosbella Chemutai (KRNA)	Sept /2019
194	Factors affecting effective pain management towards post-operative patients undergoing general anesthesia at St. Teresa hospital	Adut Chinguech Jacob (KRNA)	Sept / 2019
195	Knowledge and understanding of informed consent amongst patients undergoing anesthesia and surgical procedures at Tenwek Hospital.	Shardrack Tuei (KRNA)	March /2019
196	Knowledge of role of Anesthesia among patients undergoing surgery in Chuka Hospital	Joyce Nyawira (KRNA)	Sept /2019
197	Factors that Hinder proper Preoperative assessment by Kenya Registered Nurse Anesthetists at A.I.C Kijabe Hospital Among Surgical patients	Dinnah Musango Claire (KRNA)	Sept /2019
198	Factors hindering practice in prevention of peri-operative hypothermia at Nakuru county referral Hospital	Irene Chepchirchir (KRNA)	Sept / 2019
199	Factors contributing to post-operative complications in post anesthesia care unit (PACU) at the A.I.C Kijabe	David Musyoka (KRNA)	Sept /2019
200	Factors contributing to stress among anesthesia providers at Kijabe Hospital	Robert Kemboi Naibei (KRNA)	March / 2019
201	Impact of Pre-operative assessment among Surgical Patients at Baringo county Referral Hospital	Mercy Jesca (KRNA)	March / 2019
202	Factors contributing to self Ex- tubation among In-tubated patients in ICU Kijabe	Ann Kiandumah (KRCCN)	March / 2019
203	Factors contributing to ventilator acquired pneumonia among patients on mechanical ventilation admitted in AIC Kijabe Hospital Critical care Unit	Dorcas Njogu (KRCCN)	March /2019
204	Risk factors associated with Hypotension during spinal anesthesia among Patients undergoing surgery at AIC Kijabe hospital	Susan Kihuri (KRNA)	March/ 2019
205	Factors that hinder patients at Kitui County referral hospital from registering with National Health Insurance cover	Mercy Murungi Njuki (KRNA)	March/ 2019
206	Contributing factors to Hypothermia in Moi Teaching and referral Hospital Perioperatively	Irene C. (KRNA)	March /2019

214	Level of knowledge and practices on hand hygiene among the health care workers in Kijabe hospital Intensive care Unit	Mary Wangari Tatu (KRCCN)	March /2019
215	Self care Strategies to combat Burnout among critical care nurses in Vihiga county Referral Hospital ICU Unit	Sharon Khasimwa (KRCCN)	March/ 2021
216	Nurses knowledge and practice on identification of arrhythmias in Vihiga referral hospital intensive care Unit.	Lilian Vihenda (KRCCN)	March/ 2021
217	Adherence to Endotracheal Tube suctioning protocols among Nurses working in the critical care unit at AIC Kijabe	Loise Njeri Kamau (KRCCN)	March/ 2022
218	Assessment on adherence level of ventilator acquired Pneumonia bundles in prevention of ventilator acquired pneumonia among ICU Nurses	Naomi Njoki Njonde (KRCCN)	Sept/ 2019
219	Knowledge and practices among Nurses on endotracheal suctioning among intubated patients in ICU at AIC Kijabe hospital	Beatrice Kariuki (KRCCN)	Sept /2019
220	Factors contributing to central line associated bloodstream infections among patients admitted in the renal unit of Kikuyu hospital	Brenda Wambui Kuguora (KRCCN)	Sept/2021
221	Adherence level of catheter associated urinary tract infection bundle among critical care nurses working -AIC Kijabe hospital in a sample size of 26 Nurses	Petronillah B. Mariga (KRCCN)	Sept/2021

222	Factors influencing patient outcomes among patients admitted to Intensive care unit at Nakuru level six Hospital	Anastasia N. Biwott (KRCCN)	Sept /2021
223	Nurses experience of interaction with family members in ICU at AIC Kijabe Hospital	Ongeta Kemunto Everyne (KRCCN)	Sept/ 2021
224	Determinants of early mobilization in the intensive care units at AIC Kijabe Hospital	Francies Gorre Chacha (KRCCN)	Sept/ 2021
225	Needs and satisfaction level of family members of critically ill patients at AIC Kijabe Hospital	Yonah Naibei (KRCCN)	March /2021
226	A study on factors that influence standard practices of infection prevention and control amongst anesthetists in Machakos teaching and referral	Parkurito John Tipape (KRNA)	March /2021
227	Factors contributing to surgical surgical site infection among patients done cesarean section at samburu county referral hospital	Lemedek Joseph Sangale (KRNA)	March /2021
228	Factors influencing postponement of elective surgeries at Busia county referral hospital	Evelynne Omtata (KRNA)	March /2021
229	Ability of airway assessment tools in predicting a difficult airway by anesthetist at longisa county referral hospital	Kiplangat Ngetich (KRNA)	March/ 2021
230	Study on factors contributing to postdural puncture headache among patients done cesarean section in Consolata Mathari	Naomi Kimani (KRNA)	March/ 2021
231	Factors that contribute to Post Dural Puncture headache after spinal anesthesia in Iten county	Jackline Kigen (KRNA)	March/ 2021
232	A study to assess knowledge ,attitude and practice in the use of surgical safety checklist	Caroline Atieno Onyango KRNA	March /2021
233	Adherence on preoperative fasting guidelines among healthcare workers at ST.Francis community Hospital Kasarani	Felix Mulinge (KRNA)	March/ 2021
234	Role of the nurse anesthetist in the planning of Post -Surgical pain management at AIC Kijabe	Collins Khaemba Kimungui (KRNA)	March /2021
235	Factors influencing Anesthesia documentation practices in Kiambu level hospital hospital theater	David Kamanda Ndirangu (KRNA)	March /2021
236	Factors contributing to intraoperative spinal - induced maternal Hypotension for cesarean section delivery at Alc Kijabe hospital.	Hamisi Mabruki Mwakaribu (KRNA)	March /2021
237	Determinants of post anesthesia care practices among Surgical patients at defense forces memorial hospital	David Kimani chege (KRNA)	March /2021

238	Factors affecting effective pain management among Post- Operative patients undergoing General anesthesia at Kijabe Hospital	James Macharia Wanyiri (KRNA)	March 2021
239	Post operative outcomes of peripheral nerve block versus general anesthesia among orthopedic patients at Tenwek hospital	Gladys Chepkosgei Murei (KRNA)	March / 2021
240	Determining the level of awareness on informed consent in anesthesia plan to patients for elective surgery in Kijabe Hospital	John Kipngeno (KRNA)	March/ 2021
241	Factors influencing post anesthesia care among surgical patients at Ladnan Hospital	Raylander Musasia (KRNA)	March/ 2021
242	Factors contributing to Non -adherence to National neonatal resuscitation guidelines by midwives at Pumwani Maternity Hospital	Moses Maitethia Mutwiri (KRNA)	March 2021
243	Study on Factors contributing to Postdural puncture headache among patients done cesarean sections in Consolata Mathari	Naomi Kimani (KRNA)	March/ 2021
244	A study to assess knowledge ,attitude and practice in the use of surgical safety checklist among surgical staff in Kiambu county Hospital	Caroline Otieno Onyango (KRNA)	March /2021
245	Factors affecting utilization of tap block among anesthetist at Tenwek Hospital	Victor Kipkrui (KRNA)	March /2021
246	Knowledge on factors contributing to perioperative Hypothermia in under 5 years undergoing	Rose brown (KRNA)	March /2021
247	Determinants of laryngospasms among Pediatric patients under 5 years who have undergone surgery under general anesthesia at Kijabe hospital.	Dennis Kipchirchir Kogei (KRNA)	March /2021
248	Incidence of Post Dural Puncture Headaches amongst mothers undergoing cesarean section at MTRH	Charles Alisoreng (KRNA)	March /2021
249	Influence of the ASA score on orthopedic patients' outcome at ST Ann Mission Hospital Igoji	Isaac Murungi (KRNA)	March /2021
250	Efficacy of Bupivacaine and Dexamethasone Tap Block versus Traditionally Used intravenous Analgesia , for pain management in the First 24 Hours post CS in women at PCEA Chogoria	Caroline Kerubo Ogeri (KRNA)	March /2021
251	To determine practice of perioperative fluid management for open Gastrointestinal Surgeries at Kijabe Hospital	David Njoroge Maingi (KRNA)	March /2021
252	Assessing factors contributing to perioperative Bronchospasms among patients under General Anesthesia at Chuka county referral hospital Tharaka Nithi County	Nelius Kariuki (KRNA)	March /2021

253	Knowledge attitude and practices of Nurses in Pain management among surgical patients in Kendu Adventist Hospital Homabay county	Benard Omondi Ouma (KRNA)	March/ 2021
254	Factors that hinder preoperative assessment by Anesthetist at Makueni county referral hospital	Clare Gabriel Thigah (KRNA)	March/ 2021
255	Factors contributing to inadequate Postoperative pain management at Mbagathi Hospital post Anesthesia care Unit	Geoffrey Nyasaka Mogire (KRNA)	March/ 2021
256	A study to determine factors leading to delayed emergence in Pediatric patients after General Anesthesia at Kakamega county Teaching and referral Hospital.	Hillary Ashikhoya (KRNA)	Sept /2009
257	To Determine risk factors to syringe swap among anesthetists at Kiambu Level5 Hospital.	Joseph Kauthia Mucheru (KRNA)	Sept /2021
258	A research study on Factors contributing to inadequate pain management among post surgical patients in Samburu county referral Hospital	Jane Lolkirik (KRNA)	Sept /2021
259	Impacts of critical illness on family members of patients admitted to ICU at Kijabe AIC Mission Hospital	Janes maswari (KRNA)	Sept/ 2019
260	A study on the knowledge and practice of ankle block among Anaesthetists working at Kijabe Hospital	George Muchiri Muthee (KRNA)	Sept /2019
261	Knowledge on the use of vasopressin in cardiovascular collapse among nurse anesthetist in Kijabe hospital, kiambu county	Muthoni ndichu (KRNA)	March /2019
262	Prevalence of life threatening complication associated with spinal Anesthesia among cesarean section mothers at makueni county referral hospital	Lilian Ngina Mutie (KRNA)	March/2021
263	Factors contributing to post dural puncture headache following cesarean section in obstetric patients under spinal Anesthesia at Msambweni county referral hospital	Baraka M Julius (KRNA)	Sept/2021
264	Factors affecting Assessment of Preoperative patients in A.I.C Kijabe Hospital Theatre	Lucas Okello Oyugi (KRNA)	March/2018
265	A study to determine the impact of preoperative assessment at Webuye County Hospital.	Mable Midika (KRNA)	March /2018
266	factors associated with delayed recovery post operative outcome for general surgical patients in operating theatre, pacu at kakamega county hospital	Walter Abenge (KRNA)	SEPT 2021
267	Assessing knowledge and practice on intravenous access care among Nurses working in the critical care unit in A.I.C Kijabe Hospital	Emaculate Kavata Mathia (KRCCN)	SEP 2021

268	To determine the utilization of stopbang as a tool for pre- operative screening for obstructive sleep apnea for at risk patients at A.I.C Kijabe Mission Hospital	Mohamedsaddam Mohamud (KRNA)	Sept 2021
269	Determinants of desaturation of patients in PACU at Gatundu Level 5 Hospital Kiambu County	Pricilla Wangui Ndungu (KRNA)	Sept 2021
270	Factors contributing to intraoperative hypotension among cesarean section mothers undergoing spinal anesthesia in Naivasha sub-county Hospital.	Walter Nyamongo Momanyi (KRNA)	Sept 2021
271	Factors contributing to airway Trauma during direct Laryngoscopy and intubation among patients undergoing surgery under general Anesthesia in Kijabe Hospital	Joshua Kariithi (KRNA)	Sept 2021
272	Factors influencing adherence of COVID -19 Regulations during general Anesthesia among Kenya Registered Nurse Anesthetist students in Kijabe	Allan Cissauli Juma (KRNA)	Sept 2021
273	Factors contributing to hypoxia during preoxygenation at induction of anesthesia in Paediatrics at Kiambu Level5 Hospital	Nancy Michere Gichimu (KRNA)	Sept 2021
274	Knowledge and practice on Syringe and needle safety among KRNA Students in Kijabe Hospital	Luke Ochenge Osiemo (KRNA)	Sept 2021
275	Practice of post -operative pain management for cesarean section patients at Kalimoni mission Hospital -Kiambu County	Sr.Lilian Onyinye Onyene, HHCJ (KRNA)	March 2021
276	Outcome of regional versus intravenous analgesia in post thoracotomy at St. Lukes's orthopedic and trauma Hospital	Victoria Chepkorir Kipseger (KRNA)	Sept 2021
277	Factors contributing to post dural puncture Headache following cesarean section under spinal anesthesia Wanjir Referral Hospital.	Abdikadir Noor Hassan (KRNA)	Sept 2021
278	Timely and consistent information to patients families by the surgical staff at AIC Kijabe Hospital Theater throughout the procedure	James Mwangangi (KRNA)	Sept 2021
279	Airway management in patients with laryngeal mass undergoing excision biopsy at Consolata Hospital Mathari Nyeri County	Mercy Kendi Ndungu (KRNA)	March 2021
280	Effects of general anesthesia compared to spinal anesthesia on the APGAR score of neonates at gynocare women fistula hospital	Rastus Evayo (KRNA)	sept 2021
281	knowledge and practice of intensive care nurses' on endotracheal suctioning of the intubated patient in AIC Kijabe hospital	Cyrus Biwott (KRCCN)	sept 2021

282	A study on factors contributing to the analgesia gap in abdominal surgery patients aged 25-55 years at AIC Kijabe hospital theatre	Risper Nginya Mwaniki (KRNA)	March 2022
283	A study to determine risks factors associated with PAS, effects and factors hindering management of post-anesthesia shivering after cesarean section for women between 25-40 years in AIC Kijabe Hospital	Florence Mbogo KRNA	March 2022
284	Outcome of pethidine and tramadol among surgical at Muranga county referral hospital	Muigai Emmah Nyambura KRNA	March 2018
285	Contributing factors to spinal hypotension among cesarean section mothers at Jamaa hospital theatre	Fredrick Willis Aruwa KRNA	
286	Incidence of post dural puncture headaches amongst mothers undergoing cesarean section at moi teaching and referral hospital-Eldoret Kenya	Charles Alisoreng KRNA	
287	Factors contributing to inadequate pain control in adult surgical patients during immediate postoperative period amongst anesthetists at Tenwek mission hospital	Dominic Kipnetich KRNA	March 2022
288	Factors contributing to intraoperative spinal induced maternal hypotension for cesarean section delivery at Tenwek hospital	Kipkemoi Hassan KRNA	March 2022
289	Factors contributing to upper extremity, neck and lower back arthralgia among anesthetists working in Tenwek mission hospital, Bomet county,Kenya	Cheruiyot Kipkoech Timothy KRNA	March 2022
290	A study to determine factors leading to delayed emergence in pediatric patients after general anesthesia at Tenwek hospital	Victor Kemboi KRNA	March 2022
291	Anesthetists exposure to inhalational Anesthetic agents: A study on anesthetic gas safety	Adan Edin KRNA	March 2022
292	Effects of suboptimal pre-operative assessment among surgical patients at Nyambene sub county hospital	David Mwiti KRNA	March 2022
