b. Land Trust Review - Amber has been working with teachers and Joey Loveridge. There is not enough to fund another teacher. Community Council voted and all were in favor of funding a full time Tech Coach again for next school year.

c. Staffing Plan - Most of the staff wanted to go with option B. The only change would be to move one of the Kindergarten teachers to the upper grades, instead of 3 teachers in Kindergarten. Next year will probably be the last year for 6th grade in the elementary schools. Would we lose the social worker full time next year? It looks like right now that the social worker can be funded with other funds.

D. Promoting Hillside - There will be a video made about Hillside to promote the school. District is sending someone out to film.

3. Community Council Business (20 min)

a. Student Safety - An officer will help with making a video in Spanish to help explain the procedures for parking lot, etc. Can we put a plug in for walking to school? The parking lot would be safer. Safe Route flyers. Prizes for motivation.

b. Parking Lot

ii. Cell Phones

b. Vote on Land Trust Money - It was a unanimous vote to fund the technology coach.

4. Open Discussion (10 min)

Can we make a video or something about what not to bring to school? Paolo Martinez is working on making something.

Are we posting too much on Class Dojo? It seems about right.
