

Kansas District Children's Mission Retreat 2016

This exciting overnight adventure will help children see what Jesus is doing around the world through the Church of the Nazarene in three different countries!

Upon arriving at Garden City Nazarene Church (World Evangelism Fund Airport, also known as WEF Airport) passengers are to check in at the Airport entrance (Southeast doors). A photo will be taken of each passenger, then pasted into their personal passport. Passports will be given to passengers before traveling by bus from the WEF Airport to the Garden City Airport where they will fly on our very own Kansas **'Air Naz'** airplane...Unless we miss the connecting leg and have to come back to WEF Airport. ;-)

Date & Location: February 12-13, 2016, at the Garden City Church of the Nazarene, Garden City, Kansas.
WEF Airport doors open February 12th at 6 PM.
All passengers should be picked up February 13th at the WEF Airport at 10 AM.

Passengers must currently be enrolled as 4th - 6th graders.
Cost is 1 roll of quarters (\$10), bring with you when you check in.

Every child will need a printed Liability & Medical Release Form filled out and signed by parent when they check in.

Please feed children dinner before they arrive at the church. They will be fed snacks later in the evening.
