Summary Information

Title: Dr. Isaac H. Miller Papers

Date/Date Range: 1926-1993

Extent: 52 linear feet

Series number: A110

Repository: Bennett College Archives, Thomas F. Holgate Library, Bennett College for Woman, Greensboro, North Carolina

Collection Scope and Content Note: The Dr. Isaac H. Miller Papers consists of professional correspondence of Dr. Isaac H. Miller. It also consists of some materials related to conducting the business of Bennett College. Types of materials include correspondence, personnel files, meeting minutes, memorandum, reports, legal papers, grant information, financial statements, surveys, handbooks, bulletins, purchase orders and travel itineraries, and newspaper clippings.

Provenance: This collection is comprised of documents that were generated from the Presidency of Dr. Isaac H. Miller. A small amount of materials relating to the business of Bennett College were generated after Dr. Isaac H. Miller's Presidency.

Historical Note: Isaac H. Miller was President of Bennett College during the years 1966-1987.

He obtained his Bachelor of Science from Livingstone College in 1938, Master of Science from the University of Wisconsin in 1948 and Doctor of Philosophy in Biochemistry from the University of Wisconsin in 1951.

Before he became President of Bennett College, he was an Associate Professor of Biochemistry at Meharry Medical College in Nashville, Tennessee and Assistant Professor of Chemistry at Agricultural and Technical College of Greensboro, North Carolina (currently known as North Carolina Agricultural and Technical State University).

Dr. Miller was the author of a number of professional publications, with major research interests in Metabolism of Carcinogenic Aromatic Substances in Animals; Rare Earths and Lipid Metabolism, and Plant Hormones.

During the time of his Presidency, he was also a member of the Board of Directors of various business, church related and civic organizations such as Greensboro City Club, Goodwill Industries of Guilford, Inc., United Board for College Development, The Moses H. Cone Memorial Hospital and Wachovia Bank and Trust Company, N. A.

He was married to the former Miss Effie Elliott and the father of five children.

A good portion of the papers relate to the financial sources of support to Bennett College such as private and foundation gifts, scholarships and government grant funding. For example, correspondence from 1979 shows that Bennett College was especially supported by The Black College Fund of the United Methodist Church. "The Black College Fund has been and remains the single most important source of non-student support for Bennett College." Dr. Miller was extremely active in fundraising for Bennett College, with many personal visits to foundations as well as active involvement in support of the Second Century Campaign Fund and the United Negro College Fund Campaign.

The collection is rich in documents relating to historical events on Bennett Campus during the years covered. Documents such as background information for campus speakers, planning and program documents for such events as convocations, Vesper services, Freshman Orientation, Commencements, various workshops and lecture series given at Bennett College, are contained within the files. Some materials relating to Bennett's History date prior to Dr. Miller's Presidency and have been gathered together such as photographs and captions for the Bennett College Quartet, speech notes of a Founder's Day celebration from 1951, or a copy of the Bennett College 1926 Yearbook. One gem stands out, a copy of the program for the Student Union Ground Breaking Ceremony on January 11, 1948.

As well as Dr. Miller's daily correspondence, there are also correspondence and meeting minutes relating to Bennett College Board of Trustees, correspondence and reports relating to accreditation for Bennett College, and numerous correspondences relating to various committees and divisions of The United Methodist Church.

Glimpses of Dr. Miller's life outside campus can also be seen in such documents as hand-written notes and collected preparatory materials for a Sunday Men's Day Service guest speech at Shiloh Baptist Church on June 20, 1976 or correspondence relating to his participation in various civic and community organizations.
