

Hacks for Making the Most of PBS Learning Media

Syllabus

PBS Learning Media is a free, online media-on-demand service developed for PreK-12 educators featuring interactives, images, video, audio files, and more. In this session, we will explore ways to quickly search, filter and share content from PBS Learning Media to your classroom.

Contact Hours: 1.0

Prerequisites: N/A

Learning Objectives:

Learners will explore PBS Learning Media resources

Learners will search and filter information in PBS Learning Media

Learners will share materials from PBS Learning Media to students

Course Structure:

This Course

1. Online instruction is delivered through videos, lessons, and activities.
2. You set your own schedule and work through the course at your own pace.
3. Submit the learning artifact demonstrating skills for course certification.
4. The instructor will evaluate your work within seven business days of submission. If your submission meets all of the assignment criteria, a certificate of completion will be issued. If any of the criteria are missing, you will receive feedback and may resubmit.

Final Assignment/Learning Artifact:

Learner will provide an artifact from your classroom (lesson plan, unit planning document, worksheet, screenshot, PDF, picture) that demonstrates your use of PBS Learning Media with your students:
