

Ancient Greek Women Inquiry Worksheet

Introduction

In ancient Greece, many remarkable women made important contributions to history. This worksheet will help you explore and learn about some inspiring Greek women!

Part 1: Getting Started

Think about these questions and write your answers:

1. What do you already know about ancient Greece?

2. What role do you think women played in ancient Greek society?

Part 2: Research Questions

Choose 3 of these questions to investigate and write detailed answers:

- * What kinds of jobs or roles did women have in ancient Greece?
- * How was education different for girls compared to boys?
- * Who were some important female leaders in ancient Greece?
- * What rights did women have in ancient Greek society?
- * How did women's lives in Athens differ from women's lives in Sparta?

Your Research Findings:

1. _____

2. _____

3. _____

Part 3: Be a History Detective!

Imagine you could travel back in time to ancient Greece.

- * What would you want to ask a Greek woman?
- * What parts of her daily life would you want to learn about?

Write 3 interview questions you would ask:

1. _____

2. _____
3. _____

Part 4: Creative Response

Pick one of these activities:

- Write a diary entry pretending to be a woman in ancient Greece
- Create a list of 5 ways life for women today is different from ancient Greece
- Write a short story about a day in the life of a Greek woman

Your Response:

Reflection

- * What surprised you most about women in ancient Greece?
- * What else would you like to learn about this topic?
- * How has life for women changed since ancient times?

Your Thoughts:

Remember: Good historians ask questions and look for evidence to support their answers!
