Russellville School District uses an electronic flyer communication and delivery tool called “Peachjar.” This tool allows schools and community organizations to save paper and reduce copy costs. It also reduces the number of flyers sent home in students’ backpacks. All flyers from community organizations will be posted on your school website and sent directly to your email.

To view school-approved flyers, simply click the Peachjar button on your school’s website homepage. No action is required on your part. You will receive a welcome email from our service provider (Peachjar) that includes a username and password. This is provided to give you the opportunity to manage your account and flyer delivery preferences. You do not need to login to receive or view school digital flyers.

To ensure smooth delivery of this communication, we suggest you add school@peachjar.com to your email contacts. When you receive your first e-flyer, be sure to click “always display images.”

This system is used exclusively for distribution of school-approved flyers. Your email address will not be shared or used for any other purpose. There is also a button to unsubscribe from Peachjar emails. Keep in mind, if you unsubscribe, you may miss out on important information about school events and opportunities for your child. For frequently asked questions for parents, visit the Peachjar website at <https://www.peachjar.com/faqs.html>. Thank you for supporting our efforts to ensure parents are well-informed about school programs, activities, and events.
