Welcome to the 4th grade musical technical crew! I am so excited to get started on this project with your student! If you need to contact me (Mrs. Harris) for any reason, my information is above. Email is the best way to get a hold of me, especially after 3:15pm.

Rehearsal Policies:

- ***Attendance - Students should attend all rehearsals & performances to which they are called.*** Any absence (or late arrival) must be cleared in advance with the director. Absences due to illness or other serious emergencies will be excused. Please notify the director ASAP via email or by phone. **Two or more unexcused absences may result in removal from crew.**

- **Dismissal/Arrival -** Students are required to be picked up/dropped off on time. **Excessive lateness can result in removal from crew.**

- **Guests at Rehearsal -** Only people called to the rehearsal (or others invited by the director) will be allowed to attend rehearsals. Not because I don't love you, but because we need to focus.

- **Supplies -** Students should bring a pencil with them to rehearsal.

- **Snack/Breakfast -** If needed, students may bring a snack/breakfast and water bottle to rehearsal.

- **Expectations -** Students are expected to follow the RES Theatre Expectations listed below. **If a student consistently does not follow these expectations it may result in removal from crew.** Parents will be notified if behavior in rehearsals is a concern.

R - Respect	Respect Each Other's Space, Feelings, & Ideas
E - Engage	Decide to Try & Do Your Best
S - Safety	Control Your Body & Keep Everyone Safe

- **Performance -** All crew members will perform in the show during their class number and finale.

- **What to Wear -** All crew members will wear their class assigned costume. This information will be given out after winter break.
