      G
Well I can't forget this evening
       Em7
And your face when you were leaving
    Am7                          B7+
But I guess that's just the way the story goes

B7       Em                          C
You always smile but in your eyes your sorrow shows
      G6    Gmaj9  D9  D7  D9  D7
Yes it shows

      Gmaj9       G6
Well I can't forget tomorrow
      Em7
When I think of all the sorrow

  Am7                          B7+
I had you there and then I let you go
B7              Em           C
And now it's only fair to let you know
              G6   Gmaj9  D9  D7  D9  D7
What you should know

      G      Em
I can't live if living is without you
      Am          D9     D7
I can't live, I can't live anymore
      G      Em
I can't live if living is without you
      Am          D9     D7
I can't live, I can't live anymore
