

Examples of AT Tools

Activities of Daily Living	- Non slip materials/adaptive grips (i.e. dycem) - Adaptive eating/drinking utensils	- Adaptive toileting/hygiene items - Adaptive cooking equipment	- Color, tactile coded items - Adaptive fasteners	- Universal cuff/strap to hold items in hand - Smart Plugs to turn devices on/off
Cognitive (Organization, memory, study tools)	- Sticky Notes - Print or picture schedule, planner - Timer (i.e. Visual Timer, iPad Timer)	- Calendar software or apps - Mobile device with organization apps (i.e. Google Keep, Notes app)	- Highlight text (rulers, highlighters, highlight tape) - Index cards or tabs	- Digital Recorder or App - Smart Phones - Recorded lessons
Communication	Communication board (i.e. Boardmaker)	Single-switch voice output device (programmable device such as Step by Step)	- Portable Communicator (i.e. GoTalk) - Communication Apps for mobile devices (Go Talk Now, Proloquo2Go)	Augmentative Communication Device (i.e. Dynavox with Snap™ Core First®)
Composing Written Material	- Word prediction apps or extensions (i.e. Co:Writer, ClaroRead) - Word cards/ book/ wall	- Writing templates - Digital recorder (verbalize thoughts, organize and write later)	Dictionary/thesaurus (electronic or manual)	Speech to text software or apps/extensions (i.e. Read and Write, Google Voice Typing)
Computer Access	- Touchscreen - Pointing options/ trackball, joystick, etc.	- Accessibility switch/ alternative input - Voice recognition software (voice controls)	- Alternate/adapted keyboard/keyguards, etc. (i.e. split keyboard, covered overlay, external keyboard, or onscreen keyboard) - Adapted mice	
Environmental Control	Switch/interface for devices (environmental control device)	Light switch extensions	Remote control of devices	Environmental control through augmentative device or Smart device
Hearing	- Real time captioning - Flash alert signal on computer - Personal amplification system/hearing aid	- Hearing Assisted Technology (HAT) system - Signaling device	- Sign Language - Phone amplifier - TDD phone access/relay	- Bone conduction headphones - Peer notetaker/Scribe - Pass around microphone
Math	- Multiplication charts - Rulers and protractors with magnification - On-screen calculator	- Graph or grid paper for aligning numbers - Enlarged worksheets - Talking calculator	- Money calculator - Manipulatives - Talking watches/clocks	- Online math programs or Apps (i.e. IXL, Khan Academy) - Adapted calculator (printout, large key/display, fraction key)
Mechanics of Writing	- Adapted pencils/ pens/ grips - Adapted paper (raised line, bold line, colored, letter/number tracing), templates	- Mobile devices (i.e. iPads, Chromebooks, laptops, smart phones) - SmartPen	- Digital recorder (verbalize thoughts, organize and write later) - Cuff/strap to hold writing implements - Non-slip surface (i.e. dycem)	- Slant board - Word Prediction (i.e. Co:Writer) - Voice recognition apps (speech to text)
Orientation & Mobility	Tactile boundaries	Directionality devices	Signaling device	Pre-cane devices
Reading	- Use of pictures/ symbols/ objects with text (i.e. News-2-You) - Hand-held reading pen (i.e. C-Pen Reader)	- Highlighting (highlighters, colored rulers, colored overlays, highlighter tape) - Reading Strip	- Books adapted for page turning (i.e. page tabs) - Visual Window (used for tracking or to eliminate extra visual info)	- Audio Books (i.e. Bookshare, Epic, or Audible) - Text to Speech (i.e. Read & Write, ClaroRead)
Recreation/ Leisure	Toys adapted with Velcro, magnets, handles, switches, etc.	Adaptive equipment for sports and leisure (i.e. 3 wheel tricycle)	- Computer games, and adaptations - Art software	Electronic aids to operate media (i.e. Amazon Alexa, Portal)
Seating and Positioning/ Mobility	- Grab bars and rails - Adjustable tables, desks, equipment mounts, etc.	- Sidelyer/stander - Mobility devices/wheelchairs - Canes, crutches, walker	- Supports, seatbelts, harnesses - Gait training devices - Adapted/alternate chair	- Bolyster, cushions, foot blocks - Hoyer Lift
Sensory	- Weighted lap pad - Fidgets	- Alternative/flexible seating options - Visual timer	- Noise canceling headphones - Compression vest	Chair T-band
Vision	- Magnification devices/CCTV - Large print/audio books - Distant viewing devices/monocular	- Screen reader/text reader - Eye glasses - Screen magnification/ accessibility options	- Braille materials/Braille note taker/Braille translation software - Tactile labels - Talking calculators - Light Box	- Bookshare (for students with vision or print disabilities) - Color contrast on print/screen - Voice-activated recorder
				- Electronic magnifier, such as the Flipper - Handheld scanner - Alternate keyboard/enlarged keys
