Physical conditions that a physician should be aware of:
(Allergies, etc.) _____

In the event that I am unavailable for the purpose of providing parental consent, I hereby authorize the physician(s) and staff at the local hospital to provide such care that routine diagnostic procedures and medical treatment as necessary to my minor son / daughter. I understand the authorization herein granted does not include major surgical procedures and is only valid during camp.

This camp does not provide medical insurance for campers. In the event of illness or injury requiring treatment or hospitalization, family medical insurance must be used. Parents will be billed directly for any medical care given. The Shippensburg Area School district and the coaches involved with the camp shall not be liable in the event of any injury suffered during the duration of the camp.

Campers are expected to behave as guests. While this camp is meant to be fun, other campers are paying money to learn more about the game of football. It isn't fair for one camper's behavior to deny another's opportunity to learn. Misbehavior will result in the camper being asked to leave the camp.
