<p>Attendance</p> 	<p>Attendance is taken each morning and afternoon. If your child will be absent or tardy from school, please email <a href="mailto:bach@a2schools.org">bach@a2schools.org</a> before the start of the school day. Please do not email the office professional. There is voicemail available to record messages when the office is closed or when the office staff is unavailable to answer the phone. If your child arrives after 8:50 am, they must report to the office before going to class to be signed in by a parent, and then receive a tardy pass. If your child is absent due to a contagious disease, please inform us so that we may alert other parents in the class to watch for symptoms.</p> <p>Parents who wish to pick up their child during school hours must sign out in the office when they are picked up and can be signed back in if they return to school. Students will only be released to those listed in the student's emergency contacts. Students will be called down to the office only when their parent/guardian arrives at school to minimize the amount of instructional time missed.</p> <p><u>If you need to contact the office to make a change to your child's end-of-day plan, please make every effort to contact the office before 3:00 pm.</u></p>
<p>Student Materials in the Classroom</p> 	<p>Classroom teachers will coordinate where students store and organize personal items like school supplies, coats, hats, backpacks, etc. Students will have access to cubby drawers to store all their supplies and materials.</p> <p><b><u>Classroom Materials</u></b> Students will each have their own set of supplies that are kept in their cubby drawer/pencil box at their workspace.</p> <ul style="list-style-type: none"> <li>• Supplies will be provided: crayons, pencils, glue sticks, markers, scissors, and dry-erase markers.</li> <li>• Students will also be provided with a headset. ### Transportation

[AAPS Bus Schedule](#)

Yellow bus tags will be used for Y5/Kindergarten students. Y5/Kindergarten students should display the yellow bus tag, which will contain their first name and bus number, on their book bags. This will alert bus drivers that a student is a Y5/Kindergarten student and must have a parent or legal guardian present at the bus stop before the student is safely released from the bus.

[AAPS Bus Schedule](#)

 [How to use My Stop.pdf](#)

 [My Stop FAQs.pdf](#)

**Elementary School** students who live **1.25 miles** from school are considered in the walk zone. All others will receive school bus service.

***All walk/bike routes are reviewed for safety, including well-marked pedestrian crossings.***

#### Bus riders....

- Students should be at their bus stop at least 5 minutes before the bus stop time.
- An adult must be present at the bus stop for students in grades Young 5's and Kindergarten for both student pick-up and drop-off. *Bus drivers will not release a student from the bus unless an adult is present at the bus stop. If an adult is not present at drop-off, the student will be returned to the school.*
- For safety, all students must be seated on the bus while the bus is moving.
- Students must remain seated while riding the bus, keep their legs in front of the seat, face forward, and keep all body parts inside the bus.
- Students should use "inside voices" on the bus at all times.
- Eating or drinking is not allowed on the bus, except for water.

### Bring Your School Device

The [Classroom Ready Checklist](#) includes students bringing a charged District-issued device to school every day.

### Personal Communication Device

Students may possess a personal communication device while at school. Unless approved by the main office, PCD devices must be kept in student backpacks during the school day.

The school assumes no responsibility for theft, loss, damage to, or misuse or unauthorized use of PCDs brought onto its property.

Failure to follow these guidelines may result in the PCD being returned to the parent or guardian only.

### Snack Policy

Bach has a healthy snack-only policy. Students are allowed to bring a snack to school, but we ask families to send healthy snacks. Options include fruit, vegetables, and meat options such as a rolled piece of lunch meat or a whole grain snack. Please remind your child not to share/touch their classmates' snacks.

There may be more restrictions in your child's classroom based on the specific food allergies that are present in their class.

**At the start of each school year, all classrooms avoid serving any foods/snacks with peanuts or nuts (bring fruits/vegetables) during the first 2 weeks of school. This precaution allows time for families to complete their emergency information online and provide more complete information about students with allergies and the severity of those allergies.**

### Birthday Celebrations

If you would like your child to celebrate their birthday at school, we ask that you adhere to the following guidelines:

- Please notify your child's teacher 2-3 days prior to the day that you would like your celebration. This allows our teachers to plan accordingly.
- You may send a small token gift instead of a snack, like pencils, erasers, bookmarks, a book donated to the classroom, etc.
- Our Bengals who have birthdays in the summer are encouraged to celebrate their "half-birthday" by making arrangements in the Spring.
- Invitations for outside birthday parties may be brought to school and passed out ONLY if ALL students in the classroom are invited.

### Homework Policy

#### Purpose Statement

Homework at Bach provides children with additional practice of skills learned in school, serves as a tool to build personal responsibility and accountability, helps teachers monitor the progress of student learning, and builds awareness of student learning for families.

As a school, we also recognize the importance of family time, the rich extracurricular activities in which many children in our community participate, and the importance of unstructured time for children to play and explore. Therefore, we seek to create a balance between homework responsibilities and the lives of children and families outside of school.

#### Homework Guidelines

##### **Literacy**

Reading is crucial to children's academic development and should be part of every family's home life. It is recommended that all students engage in literacy activities every day at home. Children are encouraged to read high-interest books from a range of genres. Families can support their

children by reading books and stories to them, by asking their children to read to a family member, and by ensuring that children have time set aside for reading.

**Grades Y5-2**

Teachers in grades Y5-2 work to create homework assignments that fulfill the above purpose statement. These assignments are considered optional and serve to enrich school learning. Students who do not complete the assignments will not be placed at a disadvantage to peers who do complete the work. Teachers will communicate with individual families when they feel a student needs additional support, and a personalized plan will be established.

**Grades 3-5**

Teachers in grades 3-5 will work to create homework assignments that fulfill the above purpose statement. These assignments are required, and students are expected to complete them. Assignments will be designed to last no longer than thirty minutes. Anytime homework takes longer, parents should contact the classroom teacher to inform him/her of the difficulties. Students will not be penalized for incomplete work when the time on the task exceeds thirty minutes.

**Guidelines for Parents:**

The best way for teachers to help children succeed and continue learning is to know what the child can do independently. Therefore, homework should be completed by the student. If your child struggles with an assignment, it is best to communicate this to the teacher so he/she know additional instruction is needed. Any circumstance that may prevent children from regularly completing homework should be communicated directly to the teacher. Teachers will work with families to accommodate student and family needs and ensure all children can be successful. Bach serves a range of children with varied skills and strengths. Some students require additional accommodations and support to complete their work, and it is important for families to communicate these needs to Bach teachers. Assignments can be accommodated so all children find success!

Visitors and Volunteer Policy

- All building doors will remain locked throughout the day except during arrival and dismissal.
- Visitors must be buzzed in at the main entrance and proceed directly to the office to sign in and be given a visitor badge.
- Parents dropping off items for students can drop them at the cart at the front entrance and notify the office so we can deliver the item to your student.
- Parents and guardians who wish to visit a child's classroom must make prior arrangements with the teacher.
- In order to ensure the safety of all children, guests who wish to volunteer in the classroom or participate in a field trip must complete a background check in the main office. The forms are available in the office and **must be completed at least 72 hours in advance.**
