

K-12 Testing Program

By Orion Laboratories

LSU HEALTH SHREVEPORT

ldh.la.gov/schooltesting

What: Free Student Covid-19 Testing

From: Amanda LaFollette, MES Principal

To: Parents and guardians of minor participants

When: 1/24/22

Subject:

Register your child for our COVID-19 testing program today

Body copy:

Hello Wolverine Family:

Our MES Testing Program begins next week. In order for your child to participate in testing, you'll need to register them for the program.

Click <https://home.color.com/covid/sign-up/start?partner=ldh-man-954-students> to register your child for the program.

A parent or guardian must register any minor under 18 years old. You'll give a one-time consent and HIPAA authorization to share their results with the school and district. Testing is not required, but highly encouraged to keep our school community safe.

We'll test in our school during the school day. Results will be delivered to you by text or email by the end of the next day and we will follow-up with you directly if your child has a positive result.

If you have any questions or concerns, please reach out to LSUHS at 318.675.7588 or visit the LSUHS website at <https://www.lsuhs.edu/covid19/testing/k-12-schools-covid-19-testing-program>.

Thank you for your participation to keep our Mansfield Elementary community safe and healthy.
