

Adrian Maples Fine Arts Scholarships

Through the generosity of Adrian Schools Educational Foundation, students at Adrian Public Schools can apply for Fine Arts scholarships to attend camps, classes, and other arts-related enrichment experiences during the summer. Students can apply for up to \$200. Awards may vary depending on the registration fees for each program and the number of applicants. Awards are made on a first come first serve basis. Money will be sent directly to the camp in the student's name and not to the individual.
